Wednesday, the 29th day of April, 1891.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, in virtue of the provisions of chapter 37 of the Revised Statutes, intituled "An Act respecting the Department of Railways and Canals," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the provisions of the Orders in Council dated respectively the 22nd day of May, 1890, and the 30th day of June, 1890, under which, in the case of steamers specially chartered for the conveyance of excursion parties going and returning in the same boat on the same day, one half only of the usual rates of passenger tolls were charged for passage through the Lachine Canal and the Ste. Anne Lock, and for passage through the Welland Canal, in the case of excursion parties leaving Toronto or Hamilton for Ste. Catharines, be continued in force for the forthcoming season of navigation only, adding to the said provisions, however, for the forthcoming season, that this conditionally reduced rate shall apply to excursion parties leaving Ste. JOHN J. McGEE,

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 13th day of April, 1891.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by section 8 of the Regulations governing the Dominion Canals established by the Order in Council of the 26th day of October, 1889, chapter 115 of the Consolidated Orders in Council of Canada, it is provided as follows:—

"Sec. 8.—All sailing vessels or other vessels navigating any canal or harbour shall have their yards topped or braced up, so as not to extend athwartships further than the side of the vessel; they shall also have their booms, bowsprits and jib-booms and all out-riggers, rigged in or topped up, and their anchors secured, so as to avoid doing damage to any of the lock-gates, piers, bridges or other works, or vessels, under a penalty against the owner, master or person in charge, not exceeding forty dollars currency for any and every neglect of this regulation;"

And whereas it appears that a large number of vessels using the Welland Canal have their bowsprits extending but a short distance ahead of the vessel and built in solidly; that such built-in bowsprits cannot be rigged in or topped up as is required by the regulation, and consequently either the regulations must be ignored in respect of such vessels or the vessels barred from the use of the canal;

And whereas it appears that there are at least a hundred vessels on the Great Lakes whose bowsprits are thus built in; that for the past 45 years all such vessels have been permitted to pass through the Canal; that the larger vessels which the present works can accommodate are all so constructed, and the Superintendent of the Canal states that he does not know of any accident on the canal due to the bowsprit not being topped up,—

Therefore His Excellency, in virtue of the powers vested in him by section 15 of chapter 37 of the Revised Statutes, intituled "An Act respecting the Department of Railways and Canals," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the said clause 8 of the above mentioned Order in Council of the 26th October, 1889, shall be and the same is hereby amended by inserting therein after the word "bowsprits" the words "when not built in"—it being understood that should any vessel fitted with the built-in bowsprit do any damage, she would still be liable for such damage under other sections of the regulations.

Clerk, Privy Council.

Thursday, the 26th day of March, 1891.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS according to the regulations for the use of the Harbours, Wharves, Piers and Breakwaters, being the property of Canada, approved by His Excellency the Governor General in Council on the 12th day of June, 1889, all steamboats making use of the said wharves, piers or breakwaters are required to pay for each day or portion of a day the sum of one dollar as wharfage dues, irrespective of their tonnage, while sailing vessels are required to pay only in proportion to their tonnage ;

Whereas this scale of charges has been found to work inequitably, placing the steamboats at a disadvantage, and giving rise to complaints from their owners, the majority of the steamboats using the Government wharves, piers and breakwaters being of small tonnage and the wharfage dues proving an onerous tax upon them,—

His Excellency, under the provisions of Chapter 84, Revised Statutes of Canada, intituled "An Act respecting Government Harbours, Piers and Breakwaters," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the wharfage dues of one dollar per day upon each steamboat making use of a Government wharf, pier or breakwater be abolished, and that in lieu thereof each steamboat shall pay dues at the rate of double those imposed upon sailing vessels, which shall be calculated upon their respective tonnage according to the following scale :—

On each steamboat under 50 tons.........	$0.20
On each steamboat over 50 tons and under 100 tons..............................	0.30
On each steamboat over 100 tons and under 200 tons..............................	0.40
On each steamboat over 200 tons and under 300 tons..............................	0.60
On each steamboat over 300 tons and under 500 tons..............................	1.00
On each steamboat over 500 tons and under 800 tons..............................	1.50
On each steamboat over 800 tons and under 1,200 tons..............................	2.00
On each steamboat over 1,200 tons and under 1,600 tons..............................	2.50
On each steamboat above 1,600 tons.....	3.00

His Excellency is further pleased to order that steamboats having occasion to make use of the same wharf more than once in the same day shall be required to pay dues only for the first time of so using ; and that steamboats carrying Her Majesty's mails shall pay the same dues as other steamboats, but shall be entitled to a preference of berths at the wharf or pier when engaged in delivering or receiving the said mails.

Clerk, Privy Council.

The arc of visibility of the range lights established in 1889 at Darnley Point, on the Gulf of St. Lawrence shore of Prince Edward Island, as described in Notice to Mariners No. 21 of 1889, has been enlarged, so that now the lights show not only in the line of range, but also north-westwardly along the north bar at the entrance to Richmond Bay.

The lights will be found to decrease in power as the line of range is departed from, and when not in range must be used as guides to small boats only, vessels of larger size must keep the alignment as heretofore until they bring the Fish Island lights in one. The illuminating apparatus is catoptric. In all other respects the lights are unchanged.

The light will be as heretofore fixed white, catoptric, elevated 62 feet above high water mark, and should be visible in clear weather 12 miles in the alignment, and also across the harbour to Georgetown.

CHAMBRE DU SÉNAT.

Ottawa, mercredi, 29 avril 1891.

Aujourd'hui, à Trois heures, P.M., l'honorable Sir William Johnston Ritchie, Chevalier, Député-Gouverneur, s'est rendu à la Chambre du Sénat dans l'édifice du Parlement. Les membres du Sénat étant assemblés, il a plu au Député-Gouverneur d'y faire requérir la présence de la Chambre des Communes ; et cette Chambre s'y étant rendue, l'Orateur du Sénat a dit de la part du Député-Gouverneur, qu'il avait ordre de les informer que Son Excellence le Gouverneur-Général ne jugeait pas à propos de déclarer les causes pour lesquelles le présent Parlement avait été convoqué avant qu'il ait été procédé, suivant la loi, à l'élection d'un Orateur pour la Chambre des Communes. Après quoi les membres de la Chambre des Communes se sont retirés à leur Chambre. Alors le Député-Gouverneur s'est aussi retiré.

CHAMBRE DU SÉNAT.

OTTAWA, jeudi, 30 avril 1891.

Aujourd'hui, à TROIS heures P.M., SON EXCELLENCE LE GOUVERNEUR-GÉNÉRAL s'est rendue avec le cérémonial ordinaire, à la Chambre du Sénat, dans l'édifice du parlement, et a pris son siège sur le Trône. Les membres du Sénat étant assemblés, il a plu à Son Excellence d'y faire requérir la présence des Communes. Les membres de ce corps, précédés par leur Orateur, l'honorable PETER WHITE, ont paru incontinent à la Barre. Alors l'honorable PETER WHITE a informé Son Excellence que le choix de la Chambre des Communes comme Orateur était tombé sur lui, et qu'il réclamait pour les membres les privilèges ordinaires du Parlement.

Après quoi, SON EXCELLENCE a ouvert la PREMIÈRE SESSION du SEPTIÈME PARLEMENT de la PUISSANCE DU CANADA, par le discours suivant :—

Honorables messieurs du Sénat :

Messieurs de la Chambre des Communes :

Je suis heureux de saluer votre entrée en fonctions, à cette première session d'un nouveau parlement, qui j'en ai l'espoir, sera remarquable par la sagesse de vos délibérations et par les mesures qui seront adoptées pour le progrès et le développement du Dominion.

Cette saison, où vous vous réunissez, s'est annoncée favorablement pour les affaires dans le pays. Espérons que les travaux du peuple produiront des résultats satisfaisants, et que les grandes ressources du sol et de la mer en Canada continueront à récompenser les labeurs et l'industrie de ses habitants.

Mes aviseurs se sont prévalus des occasions qui se sont présentées vers la fin de l'année dernière pour appeler l'attention du gouvernement des Etats-Unis sur le désir qui anime le gouvernement du Canada de voir se réunir les efforts des deux administrations pour promouvoir et développer le commerce entre la République et le Dominion, et de voir se régler amicalement les questions internationales actuellement en litige entre les deux pays. Je suis heureux de dire que ces représentations nous ont obtenu l'assurance qu'en octobre prochain le gouvernement des Etats-Unis sera prêt à conférer avec le nôtre en vue de résoudre favorablement ces importantes questions. Les documents s'y rapportant seront mis devant vous. Dans les circonstances, et dans l'espoir que la conférence proposée aboutira à des arrangements favorables aux deux pays, vous serez appelés à considérer l'urgence qu'il y a de prolonger, pendant cette saison, les principales dispositions du protocole annexé au traité de Washington, 1888, connu comme le *Modus vivendi.*

Une tendance s'étant manifestée en Angleterre d'imposer aux navires qui font le transport du bétail des conditions de sûreté pour la vie des animaux et de protection contre les mauvais traitements, une enquête minutieuse a été faite sur cette question, en rapport avec le Canada. Cette enquête vous sera soumise. Bien que je constate avec plaisir que nos exportateurs sont à l'abri de reproches à ce sujet, votre attention sera appelée sur une mesure qui enlèvera, pour l'avenir, toute crainte d'abus dans une branche aussi considérable de notre commerce.

La mise en force prochaine du statut impérial qui a rapport aux cours de vice-amirauté de l'Empire, rend nécessaire la révision des lois en force au Canada, concernant les cours ayant juridiction maritime ; et une mesure vous sera proposée pour la réorganisation de ces tribunaux.

Un code des lois criminelles a été préparé, en vue de simplifier et d'améliorer notre jurisprudence, et vous serez priés d'y donner votre meilleure attention.

Des mesures vous seront aussi soumises au sujet des rivages et de l'obstruction des eaux navigables du Dominion. Vous aurez de plus à considérer les amendements qui seront proposés aux actes relatifs aux Territoires du Nord-Ouest, à l'acte de la cour de l'Echiquier et aux actes concernant les marques de commerce.

Messieurs de la Chambre des Communes :

Les comptes publics pour la dernière année fiscale vous seront soumis. Le revenu, après avoir couvert les fins auxquelles vous l'aviez destiné, a donné un surplus pour les travaux que vous aviez désignés comme devant être chargés au compte du capital et de la dépense.

Les estimés pour la prochaine année fiscale vous seront bientôt soumis.

Honorables messieurs du Sénat :

Messieurs de la Chambre des Communes :

Je prie la Providence d'éclairer vos délibérations dans l'étude de toutes ces importantes questions et dans l'exécution des devoirs qui vous incombent. Fasse le ciel que votre sagesse et votre patriotisme puissent assurer la prospérité du Dominion et augmenter de toutes manières le bien-être de ses populations.

PROCLAMATION.

STANLEY DE PRESTON.

A. POWER,
Agissant pour le sous-ministre de la Justice,

ET ATTENDU qu'il est de plus statué que le Gouverneur en conseil divisera, par proclamation, le pays en districts de recensement, et chacun de ceux-ci en sous-districts, en les faisant correspondre respectivement, autant que possible, aux divisions et aux subdivisions électorales alors existantes ; et, dans les territoires qui ne seraient pas délimités ni situés de manière que l'on pût adopter les circonscriptions déjà établies, il distribuera le pays par divisions et subdivisions spéciales, pour les opérations du recensement,—

HOTEL DU GOUVERNEMENT À OTTAWA.

Jeudi, le 26e jour de mars 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que d'après les règlements concernant l'usage des havres, quais, jetées et brise-lames appartenant au Canada, approuvés par Son Excellence le Gouverneur général en conseil le 12e jour de juin 1889, tous les bateaux à vapeur se servant des dits quais, jetées ou brise-lames sont tenus de payer pour chaque jour ou fraction de jour la somme d'une piastre comme droits de quaiage, quel que soit leur tonnage, tandis que les navires à voiles ne sont tenus de payer qu'en proportion de leur tonnage ;

Considérant qu'on a trouvé que ce tarif de péages opérait injustement vis-à-vis des bateaux à vapeur, et provoquait des plaintes de la part des propriétaires de ces bateaux, la majorité des bateaux à vapeur qui se servent des quais, jetées et brise-lames de l'Etat étant d'un petit tonnage et les droits de quaiage constituant une taxe onéreuse sur eux,—

Il plaît à Son Excellence, en vertu des dispositions du chapitre 84, Statuts Revisés du Canada, intitulé "Acte concernant les phares, quais et brise-lames de l'Etat," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que les droits de quaiage de une piastre par jour exigés de chaque bateau à vapeur se servant d'un quai, jetée au brise-lame de l'Etat soient abolis, et en leur lieu et place chaque bateau à vapeur paiera des droits au taux du double de ceux imposés sur les navires à voiles, lesquels seront calculés sur leur tonnage respectif d'après l'échelle suivante :—

Chaque bateau à vapeur de moins de 50 tonneaux	$0.20
Chaque bateau à vapeur de plus de 50 tonneaux et moins de 100 tonneaux.	0.30
Chaque bateau à vapeur de plus de 100 tonneaux et moins de 200 tonneaux.	0.40
Chaque bateau à vapeur de plus de 200 tonneaux et moins de 300 tonneaux.	0.60
Chaque bateau à vapeur de plus de 300 tonneaux et moins de 500 tonneaux.	1.00
Chaque bateau à vapeur de plus de 500 tonneaux et moins de 800 tonneaux.	1.50
Chaque bateau à vapeur de plus de 800 tonneaux et moins de 1,200 tonneaux.	2.00
Chaque bateau à vapeur de plus de 1,200 tonneaux et moins de 1,600 tonneaux.	2.50
Chaque bateau à vapeur au-dessus de 1,600 tonneaux............................	3.00

Il plaît en outre à Son Excellence d'ordonner que les bateaux à vapeur qui auront occasion de se servir du même quai plus d'une fois le même jour seront tenus de payer des droits que pour la première fois seulement ; et que les bateaux à vapeur transportant les malles de Sa Majesté paieront les mêmes droits que les autres bateaux à vapeur, mais auront le choix de mouillage au quai ou jetée lorsqu'ils seront engagés à délivrer ou recevoir les dites malles.

Greffier du Conseil privé.

AVIS DU GOUVERNEMENT.

AVIS AUX MARINS.

No. 14 de 1891.

TRANSFERT DU FEU DE PORT LEWIS À LA BARRE DE SAINT-ANICET.

Le phare qui jusqu'à présent a été entretenu par le gouvernement fédéral sur la Pointe McKillop, Port Lewis, sur la rive sud du lac Saint-François, fleuve Saint-Laurent en amont de Montréal, a été l'hiver dernier enlevé de cet endroit et placé sur une pile sur la pointe nord-est de la barre qui se prolonge dans le lac Saint-François, vis-à-vis le village de Saint-Anicet, dans le comté de Huntingdon et province de Québec.

La pile est formée d'un caisson surmonté d'un cylindre d'acier rempli de pierre. Il est submergé dans neuf pieds d'eau sur le bord sud du chenal des vapeurs, et est à 5,700 pieds N. ½ E. de l'église paroissiale de Saint-Anicet et à environ 2 milles O. par S. de l'ancienne position du phare. Cent pieds au nord de ce caisson il y a 17 pieds d'eau dans le chenal.

Lat.	N.	45°	9'	43"
Long.	O.	74°	20'	50"

Le feu qui sera mis en opération à l'ouverture de la navigation cette saison, dans sa nouvelle position, sera blanc fixe comme auparavant. Il sera à 31 pieds au-dessus de l'étiage du lac, et devrait être visible par un temps clair à dix milles de tous les points d'approche. L'appareil d'éclairage est catoptrique.

La tour est une charpente en bois carrée, peinturée en blanc, surmontée d'une lanterne de fer peinturée en rouge. La partie du cylindre de fer qui sort de l'eau est peinturée en brun. La hauteur de la tour, depuis le sommet de la pile jusqu'à la girouette de la lanterne est de 31 pieds.

Cet avis affecte les cartes de l'Amirauté Nos. 259*a* et 797, et la Liste des phares canadiens et signaux de brume No. 144.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

—

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General, by and with the advice of the Queen's Privy Council for Canada, is pleased to grant permission to change the name of the Steamer "Oscar Wilde," of St. John, N.B., Official number 85,573, to that of "Springfield," under the provisions of the 21st section of chap. 72 of the Revised Statutes of Canada.

JOHN J. McGEE,
Clerk, Privy Council.

42-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 13th day of April, 1891.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by section 8 of the Regulations governing the Dominion Canals established by the Order in Council of the 26th day of October, 1889, chapter 115 of the Consolidated Orders in Council of Canada, it is provided as follows :—

"Sec. 8.—All sailing vessels or other vessels navi-
"gating any canal or harbour shall have their yards
"topped or braced up, so as not to extend athwart-
"ships further than the side of the vessel ; they shall
"also have their booms, bowsprits and jib-booms and
"all out-riggers, rigged in or topped up, and their

"anchors secured, so as to avoid doing damage to any "of the lock-gates, piers, bridges or other works, or "vessels, under a penalty against the owner, master or "person in charge, not exceeding forty dollars currency for any and every neglect of this regulation;"

And whereas it appears that a large number of vessels using the Welland Canal have their bowsprits extending but a short distance ahead of the vessel and built in solidly; that such built-in bowsprits cannot be rigged in or topped up as is required by the regulation, and consequently either the regulations must be ignored in respect of such vessels or the vessels barred from the use of the canal;

And whereas it appears that there are at least a hundred vessels on the Great Lakes whose bowsprits are thus built in; that for the past 45 years all such vessels have been permitted to pass through the Canal; that the larger vessels which the present works can accommodate are all so constructed, and the Superintendent of the Canal states that he does not know of any accident on the canal due to the bowsprit not being topped up,—

Therefore His Excellency, in virtue of the powers vested in him by section 15 of chapter 37 of the Revised Statutes, intituled "An Act respecting the Department of Railways and Canals," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the said clause 8 of the above mentioned Order in Council of the 26th October, 1889, shall be and the same is hereby amended by inserting therein after the word "bowsprits" the words "when not built in"—it being understood that should any vessel fitted with the built-in bowsprit do any damage, she would still be liable for such damage under other sections of the regulations.

JOHN J. McGEE,
43-4 Clerk, Privy Council.

JOHN J. McGEE,
44-4 Clerk, Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 26th day of March, 1891.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

Whereas according to the regulations for the use of the Harbours, Wharves, Piers and Breakwaters, being the property of Canada, approved by His Excellency the Governor General in Council on the 12th day of June, 1889, all steamboats making use of the said wharves, piers or breakwaters are required to pay for each day or portion of a day the sum of one dollar as wharfage dues, irrespective of their tonnage, while sailing vessels are required to pay only in proportion to their tonnage;

Whereas this scale of charges has been found to work inequitably, placing the steamboats at a disadvantage, and giving rise to complaints from their owners, the majority of the steamboats using the Government wharves, piers and breakwaters being of small tonnage and the wharfage dues proving an onerous tax upon them,—

His Excellency, under the provisions of Chapter 84, Revised Statutes of Canada, intituled "An Act respecting Government Harbours, Piers and Breakwaters," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the wharfage dues of one dollar per day upon each steamboat making use of a Government wharf, pier or breakwater be abolished, and that in lieu thereof each steamboat shall pay dues at the rate of double those imposed upon sailing vessels, which shall be calculated upon their respective tonnage according to the following scale:—

On each steamboat under 50 tons.........	$0.20
On each steamboat over 50 tons and under 100 tons..............................	0.30
On each steamboat over 100 tons and under 200 tons..............................	0.40
On each steamboat over 200 tons and under 300 tons..............................	0.60
On each steamboat over 300 tons and under 500 tons..............................	1.00
On each steamboat over 500 tons and under 800 tons..............................	1.50
On each steamboat over 800 tons and under 1,200 tons..........................	2.00
On each steamboat over 1,200 tons and under 1,600 tons..........................	2.50
On each steamboat above 1,600 tons.....	3.00

The arc of visibility of the range lights established in 1889 at Darnley Point, on the Gulf of St. Lawrence shore of Prince Edward Island, as described in Notice to Mariners No. 21 of 1889, has been enlarged, so that now the lights show not only in the line of range, but also north-westwardly along the north bar at the entrance to Richmond Bay.

The lights will be found to decrease in power as the line of range is departed from, and when not in range must be used as guides to small boats only, vessels of larger size must keep the alignment as heretofore until they bring the Fish Island lights in one. The illuminating apparatus is catoptric. In all other respects the lights are unchanged.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 27e jour d'avril 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des douanes," chapitre 32 des Statuts Revisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements concernant la mouture et l'empaquetage du blé, du maïs et autre grain en entrepôt, établis par l'arrêté en conseil du 21e jour d'avril 1880, et continués par les articles 16 et 17 de l'arrêté en conseil refondu du 25e jour de juillet 1888, chapitre 8 des Arrêtés en conseil refondus du Canada, seront et ils sont par le présent rescindés, et ils sont remplacés par les règlements ci-dessous :

Le ministre des Douanes pourra autoriser le percepteur des douanes d'un port d'entrepôt ou d'un port secondaire d'entrée, à accorder une licence à tout moulin convenablement construit pour moudre du grain, et reconnaître ce moulin comme entrepôt de douane pour servir à l'emmagasinage, la mouture et l'empaquetage du blé, du maïs et autre grain étrangers en entrepôt, sujet aux règlements ci-dessous :—

Le propriétaire de tout tel moulin pourra demander au percepteur des douanes de lui accorder une licence pour recevoir dans son moulin, et y moudre et empaqueter du blé, du maïs et autre grain étrangers en en repôt, et dans cette demande il décrira distinctement la construction et la capacité de tel moulin, et sa position exacte, donnant sa distance du bureau de douane le plus proche, indiquant aussi s'il fonctionne au moyen de la vapeur ou d'un pouvoir hydraulique ou autre moteur, et tels autres détails que le ministre pourra de temps à autre ordonner et prescrire, et énoncera dans la dite demande sa volonté et sa détermination à observer strictement dans la poursuite des dites opérations les lois et règlements qui sont alors ou seront à l'avenir en vigueur concernant les entrepôts de douane.

Le percepteur des douanes transmettra alors la dite demande au Commissaire des Douanes, lequel la présentera au Ministre, et si ce dernier l'approuve, la licence demandée sera accordée, et le dit moulin sera alors connu et classifié comme entrepôt de douane, classe 7.

Le blé, le maïs ou autre grain seront livrés et expédiés à ce moulin ou entrepôt aux mêmes conditions que celles qui régissent les autres effets imposables, après que l'entrée pour leur entreposement aura été dûment faite et complétée, pour y être moulus et empaquetés en entrepôt tel que l'exige la loi, et ce moulin sera en tout temps ouvert à l'inspection et examen des effets qui y sont contenus par tout officier des douanes chargé de faire cette inspection ou examen.

Tout le blé, le maïs et autre grain entrés à l'entrepôt tel que ci-dessus énoncé, ou la quantité de fleur et de farine représentant et étant le produit de ce blé, maïs ou autre grain, seront déclarés à la sortie de l'entrepôt comme suit :

1. Lorsqu'ils sont destinés à la consommation en Canada, une déclaration pour le paiement des droits sera faite, représentant à sa face la quantité de grain moulue et la quantité de son produit en fleur ou farine, et le droit auquel ils sont soumis sera de suite perçu et payé en conséquence.

2. Lorsqu'il s'agit d'un transport à un autre entrepôt, ou à un autre port d'entrepôt, une déclaration pour transport, en la formule voulue, sera faite, donnant les mêmes détails que dans la déclaration pour consommation.

3. Lorsqu'ils sont destinés à l'exportation, la formule prescrite pour la déclaration pour exportation, à la sortie de l'entrepôt, sera employée, et les quantités du grain moulu et son rendement seront correctement indiqués à la face de cette déclaration, en la même forme et manière que s'il s'agissait d'une déclaration pour transport ou pour consommation en Canada.

4. Nul grain ni ses produits ne seront en aucun cas enlevés du moulin ou de l'entrepôt avant qu'une entrée n'ait été dûment faite, et que le percepteur des douanes n'ait accordé un permis à cet effet.

5. Toute infraction aux dispositions des présents règlements ou d'aucun d'eux, rendra les effets et le délinquant passibles des confiscations et peines établies par l'Acte des douanes pour infractions au dit acte, relativement aux effets imposables déclarés à l'entrée et à la sortie de l'entrepôt.

HOTEL DU GOUVERNEMENT À OTTAWA.

Jeudi, le 26e jour de mars 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que d'après les règlements concernant l'usage des havres, quais, jetées et brise-lames appartenant au Canada, approuvés par Son Excellence le Gouverneur général en conseil le 12e jour de juin 1889, tous les bateaux à vapeur se servant des dits quais, jetées ou brise-lames sont tenus de payer pour chaque jour ou fraction de jour la somme d'une piastre comme droits de quaiage, quel que soit leur tonnage, tandis que les navires à voiles ne sont tenus de payer qu'en proportion de leur tonnage ;

Considérant qu'on a trouvé que ce tarif de péages opérait injustement vis-à-vis des bateaux à vapeur, et provoquait des plaintes de la part des propriétaires de ces bateaux, la majorité des bateaux à vapeur qui se servent des quais, jetées et brise-lames de l'Etat étant d'un petit tonnage et les droits de quaiage constituant une taxe onéreuse sur eux,—

Il plaît à Son Excellence, en vertu des dispositions du chapitre 84, Statuts Revisés du Canada, intitulé "Acte concernant les phares, quais et brise-lames de l'Etat," et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, que les droits de quaiage de une piastre par jour exigés de chaque bateau à vapeur se servant d'un quai, jetée au brise-lame de l'Etat soient abolis, et en leur lieu et place chaque bateau à vapeur paiera des droits au taux du double de ceux imposés sur les navires à voiles, lesquels seront calculés sur leur tonnage respectif d'après l'échelle suivante :—

Chaque bateau à vapeur de moins de 50 tonneaux	$0.20
Chaque bateau à vapeur de plus de 50 tonneaux et moins de 100 tonneaux.	0.30
Chaque bateau à vapeur de plus de 100 tonneaux et moins de 200 tonneaux.	0.40
Chaque bateau à vapeur de plus de 200 tonneaux et moins de 300 tonneaux.	0.60
Chaque bateau à vapeur de plus de 300 tonneaux et moins de 500 tonneaux.	1.00
Chaque bateau à vapeur de plus de 500 tonneaux et moins de 800 tonneaux.	1.50
Chaque bateau à vapeur de plus de 800 tonneaux et moins de 1,200 tonneaux.	2.00
Chaque bateau à vapeur de plus de 1,200 tonneaux et moins de 1,600 tonneaux.	2.50
Chaque bateau à vapeur au-dessus de 1,600 tonneaux	3.00

Il plaît en outre à Son Excellence d'ordonner que les bateaux à vapeur qui auront occasion de se servir du même quai plus d'une fois le même jour seront tenus de payer des droits que pour la première fois seulement ; et que les bateaux à vapeur transportant les malles de Sa Majesté paieront les mêmes droits que les autres bateaux à vapeur, mais auront le choix de mouillage au quai ou jetée lorsqu'ils seront engagés à délivrer ou recevoir les dites malles.

JOHN J. McGEE,
Greffier du Conseil privé.

AVIS AUX MARINS.

No. 14 de 1891.

TRANSFERT DU FEU DE PORT LEWIS À LA BARRE DE SAINT-ANICET.

Le phare qui jusqu'à présent a été entretenu par le gouvernement fédéral sur la Pointe McKillop, Port Lewis, sur la rive sud du lac Saint-François, fleuve Saint-Laurent en amont de Montréal, a été l'hiver dernier enlevé de cet endroit et placé sur une pile sur la pointe nord-est de la barre qui se prolonge dans le lac Saint-François, vis-à-vis le village de Saint-Anicet, dans le comté de Huntingdon et province de Québec.

La pile est formée d'un caisson surmonté d'un cylindre d'acier rempli de pierre. Il est submergé dans neuf pieds d'eau sur le bord sud du chenal des vapeurs, et est à 5,700 pieds N. $\frac{1}{2}$ E. de l'église paroissiale de Saint-Anicet et à environ 2 milles O. par S. de l'ancienne position du phare. Cent pieds au nord de ce caisson il y a 17 pieds d'eau dans le chenal.

Lat. N. 45° 9' 43"
Long. O. 74° 20' 50"

Le feu qui sera mis en opération à l'ouverture de la navigation cette saison, dans sa nouvelle position, sera blanc fixe comme auparavant. Il sera à 31 pieds au-dessus de l'étiage du lac, et devrait être visible par un temps clair à dix milles de tous les points d'approche. L'appareil d'éclairage est catoptrique.

La tour est une charpente en bois carrée, peinturée en blanc, surmontée d'une lanterne de fer peinturée en rouge. La partie du cylindre de fer qui sort de l'eau est peinturée en brun. La hauteur de la tour, depuis le sommet de la pile jusqu'à la girouette de la lanterne est de 31 pieds.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of May, 1891.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to approve of the following Rules and Regulations for the management and working of the Dry Dock at Lévis, Quebec, as well as of the tariff of charges for the use of said dock.

(Signed) JOHN J. McGEE,
Clerk, Privy Council.

Rules and Regulations for the Management and Working of the Dry Dock at Lévis, Que.

1. No vessel will be admitted into the dock without having the time and manner of her entry, and of her remaining in the dock, fixed and determined at the Dock Master's office and duly noted and entered in books to be kept for that purpose, nor until after the owner of the vessel or his representative shall have signed such note and entry.

2. No vessel shall remain in the dock any longer than the time agreed upon and fixed and noted in the Dock Master's office, but, if before the expiration of the time fixed, the Dock Master shall be satisfied, on a written application to be made to him, for that purpose, that circumstances not known when the vessel was docked, or are beyond the control of the persons engaged in the repairs, will prevent their completion within the period for which the vessel was entitled to remain, a new arrangement may, if the Dock Master shall think proper, be made for such further period not exceeding fourteen (14) days, as he may think requisite; but no vessel shall be allowed to remain over the date fixed by the new arrangement, except with the sanction of the Honourable the Minister of Public Works of Canada. Every owner, master, managing owner, or consignee of any vessel, or the person by whom the entry books in the Dock Master's office were signed in respect of such vessel, which shall remain in the dock after the expiration of the period or date originally fixed or extended, and fixed by any new arrangement as above mentioned, shall be deemed to have committed a separate offence against this rule and regulation in respect of every tide during which such vessel shall remain in the dock, and a penalty of fifty (50) dollars will be inflicted for every such offence, and the infliction of such penalty or penalties in respect of any such offence or offences shall not relieve the parties from their liability to pay the dock rates payable to the Dock Master in respect of the use of the dock beyond the period for which arrangement had been made.

3. If any vessel will not leave the dock at the expiration of the period for which arrangement had been made, the Dock Master, whether such vessel may or may not be then water tight or capable of being floated, may open the dock to let out any vessel therein, or to admit any other vessel thereto; and any loss or damage sustained by any vessel by reason of flooding the dock, shall be exclusively borne by the owner or owners of such vessel, and the Dock Master may cause to be removed from the dock, vessels not removed by the owner or owners in due course, and to recover from said owner or owners all expenses incurred in so doing, including the cost of ballast and making the vessel water tight, if necessary.

4. On failure to place a vessel in the dock on the day appointed and agreed upon, for that purpose, such vessel shall be struck off the entry books, and the owner, managing owner, master or consignee of such vessel shall, on demand, pay to the Dock Master the amount, if any, which may have been lost in respect of dock rates and dues by reason of such failure, and except under the circumstances hereinafter mentioned, her entrance fee shall be forfeited, but if the Dock Master shall be satisfied that such failure arose by stress of weather or other circumstances which shall, in his judgment, be a sufficient reason for the same,

then on payment of the amount which may have been lost as aforesaid, the vessel may be re-instated in her original position on the entry list without payment of a fresh entrance fee.

5. No vessel shall be broken up or commenced to be broken up while in the dock without the permission of the Hon. the Minister of Public Works is first had and obtained. The Dock Master may forthwith remove from the dock any vessel which shall be commenced to be broken up without such permission and all costs consequent upon such removal shall be paid by the owner, managing owner, master or consignee of such vessel, or by the person who signed the entry books in the Dock Master's office for and on account of such vessel.

6. The Dock Master may in his discretion allow any vessel which shall have put back in a damaged condition, or which shall under any other circumstances be in such a condition as may in his judgment render her immediate admission into the dock actually necessary, to enter the dock in priority to all other vessels standing on the entry list and books.

7. No vessel shall be scuttled in the dock without the special permission, in writing, of the Dock Master, who shall demand and obtain a written statement from the proper persons why it is necessary that scuttling shall take place.

8. The owner or master of any vessel intending to enter the dock shall cause the blocks to be laid and the ties stretched for her reception at least (3) three hours before high water of the tide for which entry shall have been fixed for the said vessel, and in the case of iron vessels, the owner or master shall also cover the dock blocks with hardwood caps of a thickness sufficient to prevent the dock blocks being cut or injured or broken by the vessel's keel, the thickness of the caps to be fixed by the Dock Master. Whenever caps are required to be placed on the dock blocks, notice thereof shall be given to the Dock Master at the time of entry, in order that a proportionate allowance may be made as to the depth of water. Any vessel in respect of which any breach of this rule and regulation shall occur shall be struck off the entry list and the entrance fee shall be forfeited.

9. Blocks and horizontal shores will be provided as follows, viz. :—

Blocks, one set for the length given at the time of entry at the Dock Master's office.

Horizontal shores, two for every fifteen (15) feet of such length as aforesaid.

A sufficient number of stage poles and planks to make one tier of stages around the vessel, to consist of two (2) planks in breadth and a gangway stage of two poles and five planks will also be provided.

No person shall use or take away any such blocks, shores, poles or planks or other articles belonging to the dock without permission first had and obtained from the Dock Master, and every person using or taking away any of the articles above mentioned with such permission shall return and replace the same when and where required by the Dock Master.

10. No person shall destroy, cut or otherwise damage, or shall allow to go adrift, any of the blocks, poles, shores, planks, machines, stores, water cisterns, stages, pipes, pitch pots, cranes, tackle or other appendage belonging, or which may belong to or be used in connection with the dock, nor throw down timber or other heavy thing upon the steps and stone work, or pass the same into or out of the dock otherwise than by the shoots prepared for that purpose.

11. The master, owner or consignee of any vessel required to be swealed whilst in the dock may with the permission of the Dock Master first had and obtained cause such vessel to be swealed only on condition that such owner, master or consignee shall at his own expense procure the attendance of persons with the water laid on, and with a sufficient length of hose to reach every part of the vessel, and that the persons so engaged shall remain constantly near such vessel during such swealing.

12. No vessel will be admitted into the dock until she shall have been duly entered in accordance with rule and regulation No. 1 on the entry books in the Dock Master's office, nor until after the sum of two hundred dollars ($200) shall have been paid to the Dock Master as an entrance fee.

13. For the use of the dock the following charges will be made :—

Gross Tonnage of Vessel.	For the first day of docking.	For each subsequent day the Dock is occupied, including the day the vessel is undocked.
For all vessels up to 1,000 tons............	$300 00	5 cents per ton.
For all vessels between 1,000 and 2,000 tons.	350 00	4½ cents per ton.
For all vessels above 2,000 tons............	400 00	4½ cents per ton up to 2,000 tons, and 2 cents per ton on all tonnage above 2,000 tons.

Cargoes will be charged at the same rates as tonnage, but no charge will be made for ballast, the Dock Master to be the judge. Coal will be classed as cargo.

Each day to be counted from noon to noon, and each fractional part of a day will be charged as one day.

No reduction will be allowed for Sundays and holidays.

The charges for the use of the dock by any vessel shall be due and payable to the Dock Master immediately upon presentation of an account therefor to the master, owner or owners, managing owner or owners, consignee or consignees of such vessel, or the person or persons who shall have signed the entry books in the Dock Master's Office, in respect of such vessel, in accordance with rule and regulation No. 1, and if such rates shall be paid to the Dock Master within ten days after delivery of such account, the entrance fee paid in respect of such shall be returned, but if such rates shall not be paid in the manner and within the period above mentioned, the entrance fee paid in respect of such vessel shall be forfeited to the Crown, and action will be taken by the Crown for the recovery of the amount of such account.

Special rates for the use of the dock for wintering vessels, or for repairing of vessels in the dock during the winter, are to be arranged and settled with the Dock Master under an authority from the Hon. the Minister of Public Works.

14. Vessels for which arrangements have been made for wintering in the dock will not be permitted to enter until *two* days after the last ocean vessel shall have left the harbour of Quebec, and should such vessel or vessels require to enter the dock before such date, then payment of full dock charges for each day preceding will have to be made.

15. Any vessel wintering in the dock must leave it not later than *four* days after the arrival of the first ocean vessel in the harbour of Quebec in the spring, as the wintering term will expire at that date ; and all vessels, whether wintering only or wintering and repairing will be required to pay full dock charges for each and every day the dock is occupied by them beyond the date above fixed.

16. When two or more vessels are taken together into the dock, they will be charged in proportion to their respective gross tonnage, but the owners, agents or masters of such vessels must understand that the vessel which is first ready to leave the dock must wait until the other is or the others are finished, and no charge will be made against the waiting vessel providing no work is done thereon. The Government of Canada will not however be responsible, in any way, for any delay which may ensue.

17. Where the crew live on board whilst the vessel is in dock, all night soil, table or cook's refuse, ship's sweepings, ashes, etc., must be removed and placed on the dock property where ordered by the Dock Master, for on no account shall any deposit be made in the dock.

18. Electric light will be supplied upon requisition to the Dock Master by the owner, agent or master of a vessel occupying the dock, and charge will be made therefor.

19. Charges will be made for all shores cut and destroyed, and for all wooden keel blocks, stage poles and planks broken or rendered useless.

20. Her Majesty's ships of war shall have at all times priority of entry, and in the event of its being necessary that such a ship shall enter, the Dock Master shall have the power to cancel existing entries and arrangements, and to treat all such as fresh entries to take effect after such war vessel shall have been undocked.

21. No vessel excepting Her Majesty's ships of war will be allowed to enter the dock with gunpowder or any explosive material on board.

22. Prior to the undocking of each vessel the dock must be properly cleaned by and at the expense of those who have used the dock, and all parts or portions of damaged vessels or machinery which may have been removed and not again used, must be taken from off the dock premises, and all plant, tools and machinery which may have been brought and used in repairs must, after the completion of such repairs, be taken away.

23. It is distinctly to be understood that the Crown will, under no circumstances, be held to be liable or responsible for any accident of any description whatever which may occur to a vessel when in the dock, or when entering or leaving the same.

24. Every person committing an offence against any of the foregoing rules and regulations shall be subject to a penalty of $50 for each and every offence, to be recovered by civil action. 46-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 29th day of April, 1891.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, in virtue of the provisions of chapter 37 of the Revised Statutes, intituled "An Act respecting the Department of Railways and Canals," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the provisions of the Orders in Council dated respectively the 22nd day of May, 1890, and the 30th day of June, 1890, under which, in the case of steamers specially chartered for the conveyance of excursion parties going and returning in the same boat on the same day, one half only of the usual rates of passenger tolls were charged for passage through the Lachine Canal and the Ste. Anne Lock, and for passage through the Welland Canal, in the case of excursion parties leaving Toronto or Hamilton for Ste. Catharines, be continued in force for the forthcoming season of navigation only, adding to the said provisions, however, for the forthcoming season, that this conditionally reduced rate shall apply to excursion parties leaving Ste. Catharines for Toronto or Hamilton.

JOHN J. McGEE,
Clerk Privy Council.

44-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 13th day of April, 1891.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by section 8 of the Regulations governing the Dominion Canals established by the Order in Council of the 26th day of October, 1889, chapter 115 of the Consolidated Orders in Council of Canada, it is provided as follows :—

"Sec. 8.—All sailing vessels or other vessels navi-
"gating any canal or harbour shall have their yards
"topped or braced up, so as not to extend athwart-
"ships further than the side of the vessel ; they shall
"also have their booms, bowsprits and jib-booms and
"all out-riggers, rigged in or topped up, and their
"anchors secured, so as to avoid doing damage to any
"of the lock-gates, piers, bridges or other works, or
"vessels, under a penalty against the owner, master or
"person in charge, not exceeding forty dollars cur-
"rency for any and every neglect of this regulation ;"

And whereas it appears that a large number of vessels using the Welland Canal have their bowsprits extending but a short distance ahead of the vessel and built in solidly ; that such built-in bowsprits cannot be rigged in or topped up as is required by the regulation, and consequently either the regulations must be ignored in respect of such vessels or the vessels barred from the use of the canal ;

And whereas it appears that there are at least a hundred vessels on the Great Lakes whose bowsprits are thus built in ; that for the past 45 years all such vessels have been permitted to pass through the Canal; that the larger vessels which the present works can accommodate are all so constructed, and the Superintendent of the Canal states that he does not know of any accident on the canal due to the bowsprit not being topped up,—

Therefore His Excellency, in virtue of the powers vested in him by section 15 of chapter 37 of the Revised Statutes, intituled "An Act respecting the Department of Railways and Canals," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the said clause 8 of the above mentioned Order in Council of the 26th October, 1889, shall be and the same is hereby amended by inserting therein after the word "bowsprits" the words "when not built in"—it being understood that should any vessel fitted with the built-in bowsprit do any damage, she would still be liable for such damage under other sections of the regulations.

JOHN J. McGEE,
43-4 Clerk, Privy Council.

1. Avant qu'un vaisseau puisse être admis dans le bassin, le temps et la manière de son entrée et le temps qu'il restera dans le dit bassin devront d'abord être fixés et réglés au bureau du capitaine du bassin, et dûment inscrits dans des registres qui seront tenus à cette fin, et aucune inscription ne sera considérée complète tant que le propriétaire du vaisseau ou son représentant n'aura pas signé le registre.

2. Aucun vaisseau ne restera dans le bassin plus longtemps que le temps pour lequel ce vaisseau aura été inscrit au bureau du capitaine du bassin, mais si, avant l'expiration du temps fixé, le capitaine du bassin est notifié par écrit que des circonstances inconnues lorsque le vaisseau a été inscrit, ou au delà du contrôle des parties engagées aux réparations empêcheront leur achèvement dans le délai pour lequel le vaisseau a été inscrit, un nouvel arrangement pourra, si le maître du bassin le juge à propos, être fait pour accorder un autre délai n'excédant pas quatorze (14) jours, selon qu'il jugera nécessaire pour l'achèvement de ce travail ; mais il ne sera permis à aucun vaisseau de rester plus longtemps que la date fixée par le nouvel arrangement, sauf avec la sanction de l'honorable ministre des Travaux Publics du Canada. Chaque propriétaire, capitaine, propriétaire-gérant ou consignataire, ou la personne qui a signé les registres dans le bureau du capitaine du bassin, d'un vaisseau qui restera dans le bassin après l'expiration du temps pour lequel ce vaisseau aura été d'abord inscrit ou après le temps fixé par tout nouvel arrangement comme susdit, sera censé avoir commis une offense distincte contre ce règlement à l'égard de chaque marée pendant laquelle ce vaisseau aura ainsi resté dans le bassin, et une amende de cinquante piastres ($50) sera imposée pour chaque telle offense ; et l'imposition de cette amende ou de ces amendes au sujet de toute telle offense ou offenses ne libèrera pas les parties de leur obligation de payer les taux du bassin payables au capitaine du bassin pour l'usage du bassin au delà de la période convenue.

3. Si un vaisseau ne sort pas du bassin à l'expiration de la période pour laquelle un arrangement a été fait, le capitaine du bassin, que ce vaisseau soit étanche ou non, ou puisse flotter, pourra ouvrir les portes du bassin pour en laisser sortir tout vaisseau, ou y laisser entrer tout vaisseau ; et toute perte ou dommage subi par tout vaisseau à raison de l'entrée de l'eau dans le bassin sera supporté exclusivement par le propriétaire ou les propriétaires de ce vaisseau, et le capitaine du bassin pourra faire sortir du bassin les vaisseaux qui ne seront pas déplacés par le propriétaire ou les propriétaires en temps convenable, et recouvrer du dit propriétaire ou des dits propriétaires toutes les dépenses encourues en ce faisant, y compris le coût du lest et de l'étanchement du vaisseau si c'est nécessaire.

4. Si un vaisseau n'est pas mis dans le bassin le jour fixé et convenu à cette fin, ce vaisseau sera rayé des registres, et le propriétaire, capitaine, propriétaire-gérant, ou consignataire de ce vaisseau paiera sur demande du capitaine du bassin, le montant, s'il en est, qui aura été perdu au sujet des taux du bassin, à raison de ce manquement ; et sauf dans les circonstances ci-dessous mentionnées son honoraire d'entrée sera confisqué ; mais si le capitaine du bassin est satisfait que ce manquement est dû à du gros temps ou autres circonstances qu'il croira être une raison suffisante, alors sur paiement du montant qui pourra avoir été perdu comme susdit, le vaisseau pourra être remis dans sa position première sur la liste d'entrée sans payer un nouvel honoraire d'entrée.

5. Aucun vaisseau ne sera dégréé ou commencé à être dégréé dans le bassin, sans le consentement de l'honorable ministre des Travaux Publics. Le capitaine du bassin pourra sans retard enlever du bassin tout vaisseau qui aura commencé à être dégréé sans ce consentement, et tous les frais encourus par tel enlèvement seront payés par le capitaine, propriétaire-gérant, capitaine ou consignataire de ce vaisseau, ou par la personne qui a signé le registre dans le bureau du capitaine du bassin pour ce vaisseau.

6. Le capitaine du bassin pourra, à sa discrétion, permettre à un vaisseau qui sera revenu avarié, ou qui sera dans une condition telle qu'il croit que son admission immédiate dans le bassin est réellement nécessaire, —d'entrer dans le bassin de radoub avant tous autres vaisseaux inscrits sur les registres.

7. Aucun vaisseau ne sera calé dans le bassin sans la permission spéciale par écrit du capitaine du bassin qui demandera et obtiendra une déclaration par écrit des personnes intéressées énonçant la raison pour laquelle il est nécessaire de caler le vaisseau.

8. Le propriétaire d'un vaisseau se proposant d'entrer dans le bassin fera poser les tins et étendre les traverses pour sa réception au moins trois heures avant l'eau haute de la marée pour laquelle ce vaisseau aura été inscrit pour entrer dans le bassin ; et dans le cas de vaisseaux en fer, il fera couvrir le bassin par des capuchons de bois dur d'une épaisseur suffisante pour empêcher les tins du bassin d'être coupés ou endommagés par la quille du vaisseau ; l'épaisseur des capuchons sera fixée par le capitaine du bassin. Chaque fois qu'il est nécessaire de mettre des capuchons sur les tins du bassin, avis en sera donné au capitaine du bassin au temps de l'inscription, afin qu'une allocation proportionnelle soit faite quant à la hauteur de l'eau. Tout vaisseau à l'égard duquel ce règlement sera enfreint, sera rayé de la liste d'entrée, et l'honoraire d'entrée sera confisqué.

9. Des tins et étançons horizontaux et des échafauds seront fournis comme suit, savoir :—

Tins : un jeu pour la longueur donnée au temps de l'inscription dans les bureau du capitaine du bassin.

Étançons horizontaux : deux pour chaque quinze pieds de la longueur comme susdit.

Des perches et madriers d'échafaudage en nombre suffisant pour faire un rang d'échafauds autour du vaisseau composé de deux madriers en largeur et une passerelle faite de deux perches et cinq madriers seront aussi fournis.

Personne n'emploiera ni n'enlèvera ces tins, étançons, perches ou madriers ou autres articles appartenant au bassin sans la permission du capitaine du bassin, et toute personne employant ou enlevant tels tins, étançons, perches ou madriers ou autre article avec cette permission, les rapportera et les replacera lorsque le capitaine du bassin le demandera.

10. Personne ne détruira, ne coupera ou autrement endommagera, ou laissera aller à la dérive, aucun des tins, perches, étançons, madriers, machines, effets, citernes, échafauds, tuyaux, pots à poix, grues, agrès ou autres appareils appartenant ou qui pourront appartenir au bassin ou y être employés, ni ne jettera à terre du bois de service ou autre chose lourde sur les marches et maçonnerie, ni ne les entrera dans le bassin ni les en sortira autrement que par les plans inclinés préparés dans ce but.

11. Le capitaine, propriétaire ou consignataire d'un vaisseau qui aura besoin d'être brusqué pendant qu'il est dans le bassin, pourra, avec la permission du capitaine du bassin, faire ainsi brusquer ce vaisseau, à condition que ce propriétaire, capitaine ou consignataire se procure à ses frais les services d'un homme qui se tiendra prêt avec de l'eau, et un boyau d'une longueur suffisante pour atteindre chaque partie du vaisseau et que cet homme restera constamment près de ce vaisseau pendant que ce dernier est brusqué.

12. Aucun vaisseau ne sera admis dans le bassin avant d'avoir été dûment inscrit en conformité du Règlement No 1, dans le registre du bureau du capitaine du bassin, ni avant que la somme de deux cents piastres ($200) n'ait été payée au capitaine du bassin comme honoraire d'entrée.

13. L'usage du bassin sera soumis au tarif ci-dessous savoir :—

Tonnage brut du vaisseau.	Pour le premier jour dans le bassin.	Pour chaque jour en sus, y compris le jour de sortie.
Pour tous navires jusqu'à 1,000 ton'x.....	$300 00	5 cts. par ton.
Pour tous navires de 1,000 à 2,000 ton'x...	350 00	4½ cts. par ton.
Pour tous navires au-dessus de 2,000 ton'x.	400 00	4½ cts. par tonneau jusqu'à 2,000 tonneaux, et 2 cts. par tonneau sur tout tonnage dépassant 2,000 tonneaux.

Les cargaisons paieront au même taux que le tonnage, mais le lest ne sera pas compté ; le capitaine du bassin sera juge. La houille sera comptée comme cargaison.

Chaque jour sera compté de midi à midi, et chaque fraction d'un jour sera comptée comme un jour.

Aucune réduction ne sera allouée pour les dimanches et les jours de fête.

Les taux pour l'usage du bassin par un vaisseau seront dus et payables au dit bureau du capitaine du bassin immédiatement après la livraison du compte de ces taux au capitaine, propriétaire ou propriétaires, propriétaire-gérant ou propriétaires-gérants, consignataire ou consignataires de ce vaisseau, ou à la personne ou aux personnes qui aura ou auront signé les registres dans le bureau du capitaine du bassin pour ce vaisseau en conformité du Règlement n° 1, et si ces taux sont payés au capitaine du bassin sous dix jours après la livraison de ce compte, l'honoraire d'entrée payé à l'égard de ce vaisseau sera remboursé ; mais si ces taux ne sont pas payés en la manière et dans la période susdites, l'honoraire d'entrée payé à l'égard de ce vaisseau sera confisqué au profit de la couronne, et la couronne pourra intenter une action pour recouvrer le montant de ce compte.

Des taux spéciaux pour l'usage du bassin pour hiverner des vaisseaux, ou pour réparer des vaisseaux dans le bassin pendant l'hiver, doivent être fixés et convenus avec le capitaine du bassin sous l'autorité de l'honorable Ministre des Travaux Publics.

14. Les vaisseaux pour lesquels il a été fait des arrangements pour les hiverner dans le bassin, ne pourront y entrer que *deux* jours après que le dernier navire océanique aura quitté le havre de Québec, et s'il faut absolument que ce vaisseau ou ces vaisseaux entrent dans le bassin avant la dite date, alors ils devront payer le plein montant des frais de bassin pour chaque jour précédent.

15. Tout vaisseau hivernant dans le bassin devra en sortir pas plus tard que *quatre* jours après l'arrivée du premier navire océanique dans le havre de Québec au printemps, vu que la durée d'hivernage expirera à cette date ; et tous vaisseaux, qu'ils soient entrés pour hiverner seulement, ou pour hiverner et être réparés devront payer le plein montant des frais pour tout et chaque jour qu'ils occuperont le bassin après la date ci-dessus fixée.

16. Lorsque deux vaisseaux ou plus entreront ensemble dans le bassin, ils seront taxés en proportion de leurs tonnages bruts respectifs, mais les propriétaires, agents ou capitaines de ces vaisseaux doivent comprendre que le vaisseau qui est le premier prêt à quitter le bassin devra attendre jusqu'à ce que l'autre ou les autres soient finis, et il ne sera rien chargé au vaisseau attendant pourvu qu'il n'y soit pas fait d'ouvrage. Toutefois le gouvernement du Canada ne sera aucunement responsable d'un délai quelconque qui pourrait s'ensuivre.

17. Lorsque l'équipage d'un vaisseau vit à bord pendant qu'il est dans le bassin, toutes vidanges, déchets de table ou de cuisine, balayures, cendres, etc., doivent être enlevés et déposés aux endroits désignés par le capitaine du bassin, car il n'est pas permis de rien déposer dans le bassin.

18. La lumière électrique sera fournie sur demande au capitaine du bassin par le propriétaire, agent ou capitaine d'un vaisseau occupant le bassin, et il sera exigé paiement en conséquence.

19. Paiement sera exigé pour tous étançons coupés et détruits et pour tous tins de bois, perches d'échafaudage et madriers brisés ou rendus inutiles.

20. Les navires de guerre de Sa Majesté auront en tout temps, la priorité d'entrée, et dans le cas où il serait nécessaire de faire entrer un tel navire, le capitaine du bassin aura le pouvoir de canceller toutes inscriptions et tous arrangements antérieurs, et de les traiter comme de nouvelles inscriptions ne devant prendre effet qu'après que ce navire de guerre serait sorti du bassin.

21. Aucun vaisseau, sauf les navires de guerre de Sa Majesté, qui aura de la poudre à canon ou autre matière explosive à bord ne sera admis dans le bassin.

22. Avant la sortie de chaque vaisseau, le bassin sera convenablement nettoyé par et aux frais de celui qui se sera servi du bassin, et toutes parties des vaisseaux ou de machines avariés qui auront été enlevées et mises de côté devront être enlevées du bassin, et tout outillage, outils et machines qui auront été apportés sur les lieux et employés aux réparations, devront être enlevés une fois les réparations faites.

23. Il est bien entendu que la couronne ne se tiendra pas responsable dans aucunes circonstances, des accidents d'une nature quelconque qui pourrait arriver à un vaisseau dans le bassin, ou lorsqu'il y entre ou en sort.

24. Toute personne commettant une offense contre les règlements susdits sera passible d'une amende de cinquante piastres ($50), pour toute et chaque offense, recouvrable par action civile. 46-4

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des douanes," chapitre 32 des Statuts Revisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements concernant la mouture et l'empaquetage du blé, du maïs et autre grain en entrepôt, établis par l'arrêté en conseil du 21e jour d'avril 1880, et continués par les articles 16 et 17 de l'arrêté en conseil refondu du 25e jour de juillet 1888, chapitre 8 des Arrêtés en conseil refondus du Canada, seront et ils sont par le présent rescindés, et ils sont remplacés par les règlements ci-dessous :

Le ministre des Douanes pourra autoriser le percepteur des douanes d'un port d'entrepôt ou d'un port secondaire d'entrée, à accorder une licence à tout moulin convenablement construit pour moudre du grain, et reconnaître ce moulin comme entrepôt de douane pour servir à l'emmagasinage, la mouture et l'empaquetage du blé, du maïs et autre grain étrangers en entrepôt, sujet aux règlements ci-dessous :—

Le propriétaire de tout tel moulin pourra demander au percepteur des douanes de lui accorder une licence pour recevoir dans son moulin, et y moudre et empaqueter du blé, du maïs et autre grain étrangers en entrepôt, et dans cette demande il décrira distinctement la construction et la capacité de tel moulin, et sa position exacte, donnant sa distance du bureau de douane le plus proche, indiquant aussi s'il fonctionne au moyen de la vapeur ou d'un pouvoir hydraulique ou autre moteur, et tels autres détails que le ministre pourra de temps à autre ordonner et prescrire, et énoncera dans la dite demande sa volonté et sa détermination à observer strictement dans la poursuite des dites opérations les lois et règlements qui sont alors ou seront à l'avenir en vigueur concernant les entrepôts de douane.

Le percepteur des douanes transmettra alors la dite demande au Commissaire des Douanes, lequel la présentera au Ministre, et si ce dernier l'approuve, la licence demandée sera accordée, et le dit moulin sera alors connu et classifié comme entrepôt de douane, classe 7.

Le blé, le maïs ou autre grain seront livrés et expédiés à ce moulin ou entrepôt aux mêmes conditions que celles qui régissent les autres effets imposables, après que l'entrée pour leur entreposement aura été dûment faite et complétée, pour y être moulus et empaquetés en entrepôt tel que l'exige la loi, et ce moulin sera en tout temps ouvert à l'inspection et examen des effets qui y sont contenus par tout officier des douanes chargé de faire cette inspection ou examen.

Tout le blé, le maïs et autre grain entrés à l'entrepôt tel que ci-dessus énoncé, ou la quantité de fleur et de farine représentant et étant le produit de ce blé, maïs ou autre grain, seront déclarés à la sortie de l'entrepôt comme suit :

1. Lorsqu'ils sont destinés à la consommation en Canada, une déclaration pour le paiement des droits sera faite, représentant à sa face la quantité de grain moulue et la quantité de son produit en fleur ou farine, et le droit auquel ils sont soumis sera de suite perçu et payé en conséquence.

2. Lorsqu'il s'agit d'un transport à un autre entrepôt, ou à un autre port d'entrepôt, une déclaration pour transport, en la formule voulue, sera faite, donnant les mêmes détails que dans la déclaration pour consommation.

3. Lorsqu'ils sont destinés à l'exportation, la formule prescrite pour la déclaration pour exportation, à la sortie de l'entrepôt, sera employée, et les quantités du grain moulu et son rendement seront correctement indiqués à la face de cette déclaration, en la même forme et manière que s'il s'agissait d'une déclaration pour transport ou pour consommation en Canada.

4. Nul grain ni ses produits ne seront en aucun cas enlevés du moulin ou de l'entrepôt avant qu'une entrée n'ait été dûment faite, et que le percepteur des douanes n'ait accordé un permis à cet effet.

5. Toute infraction aux dispositions des présents règlements ou d'aucun d'eux, rendra les effets et le délinquant passibles des confiscations et peines établies par l'Acte des douanes pour infractions au dit acte, relativement aux effets imposables déclarés à l'entrée et à la sortie de l'entrepôt.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of May, 1891.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to approve of the following Rules and Regulations for the management and working of the Dry Dock at Lévis, Quebec, as well as of the tariff of charges for the use of said dock.

(Signed) JOHN J. McGEE,
Clerk, Privy Council.

—

Rules and Regulations for the Management and Working of the Dry Dock at Lévis, Que.

1. No vessel will be admitted into the dock without having the time and manner of her entry, and of her

remaining in the dock, fixed and determined at the Dock Master's office and duly noted and entered in books to be kept for that purpose, nor until after the owner of the vessel or his representative shall have signed such note and entry.

2. No vessel shall remain in the dock any longer than the time agreed upon and fixed and noted in the Dock Master's office, but, if before the expiration of the time fixed, the Dock Master shall be satisfied, on a written application to be made to him, for that purpose, that circumstances not known when the vessel was docked, or are beyond the control of the persons engaged in the repairs, will prevent their completion within the period for which the vessel was entitled to remain, a new arrangement may, if the Dock Master shall think proper, be made for such further period not exceeding fourteen (14) days, as he may think requisite; but no vessel shall be allowed to remain over the date fixed by the new arrangement, except with the sanction of the Honourable the Minister of Public Works of Canada. Every owner, master, managing owner, or consignee of any vessel, or the person by whom the entry books in the Dock Master's office were signed in respect of such vessel, which shall remain in the dock after the expiration of the period or date originally fixed or extended, and fixed by any new arrangement as above mentioned, shall be deemed to have committed a separate offence against this rule and regulation in respect of every tide during which such vessel shall remain in the dock, and a penalty of fifty (50) dollars will be inflicted for every such offence, and the infliction of such penalty or penalties in respect of any such offence or offences shall not relieve the parties from their liability to pay the dock rates payable to the Dock Master in respect of the use of the dock beyond the period for which arrangement had been made.

3. If any vessel will not leave the dock at the expiration of the period for which arrangement had been made, the Dock Master, whether such vessel may or may not be then water tight or capable of being floated, may open the dock to let out any vessel therein, or to admit any other vessel thereto; and any loss or damage sustained by any vessel by reason of flooding the dock, shall be exclusively borne by the owner or owners of such vessel, and the Dock Master may cause to be removed from the dock, vessels not removed by the owner or owners in due course, and to recover from said owner or owners all expenses incurred in so doing, including the cost of ballast and making the vessel water tight, if necessary.

4. On failure to place a vessel in the dock on the day appointed and agreed upon, for that purpose, such vessel shall be struck off the entry books, and the owner, managing owner, master or consignee of such vessel shall, on demand, pay to the Dock Master the amount, if any, which may have been lost in respect of dock rates and dues by reason of such failure, and except under the circumstances hereinafter mentioned, her entrance fee shall be forfeited, but if the Dock Master shall be satisfied that such failure arose by stress of weather or other circumstances which shall, in his judgment, be a sufficient reason for the same, then on payment of the amount which may have been lost as aforesaid, the vessel may be re-instated in her original position on the entry list without payment of a fresh entrance fee.

5. No vessel shall be broken up or commenced to be broken up while in the dock without the permission of the Hon. the Minister of Public Works is first had and obtained. The Dock Master may forthwith remove from the dock any vessel which shall be commenced to be broken up without such permission and all costs consequent upon such removal shall be paid by the owner, managing owner, master or consignee of such vessel, or by the person who signed the entry books in the Dock Master's office for and on account of such vessel.

6. The Dock Master may in his discretion allow any vessel which shall have put back in a damaged condition, or which shall under any other circumstances be in such a condition as may in his judgment render her immediate admission into the dock actually necessary, to enter the dock in priority to all other vessels standing on the entry list and books.

7. No vessel shall be scuttled in the dock without the special permission, in writing, of the Dock Master, who shall demand and obtain a written statement from the proper persons why it is necessary that scuttling shall take place.

8. The owner or master of any vessel intending to enter the dock shall cause the blocks to be laid and the ties stretched for her reception at least (3) three hours before high water of the tide for which entry shall have been fixed for the said vessel, and in the case of iron vessels, the owner or master shall also cover the dock blocks with hardwood caps of a thickness sufficient to prevent the dock blocks being cut or injured or broken by the vessel's keel, the thickness of the caps to be fixed by the Dock Master. Whenever caps are required to be placed on the dock blocks, notice thereof shall be given to the Dock Master at the time of entry, in order that a proportionate allowance may be made as to the depth of water. Any vessel in respect of which any breach of this rule and regulation shall occur shall be struck off the entry list and the entrance fee shall be forfeited.

9. Blocks and horizontal shores will be provided as follows, viz.:—

Blocks, one set for the length given at the time of entry at the Dock Master's office.

Horizontal shores, two for every fifteen (15) feet of such length as aforesaid.

A sufficient number of stage poles and planks to make one tier of stages around the vessel, to consist of two (2) planks in breadth and a gangway stage of two poles and five planks will also be provided.

No person shall use or take away any such blocks, shores, poles or planks or other articles belonging to the dock without permission first had and obtained from the Dock Master, and every person using or taking away any of the articles above mentioned with such permission shall return and replace the same when and where required by the Dock Master.

10. No person shall destroy, cut or otherwise damage, or shall allow to go adrift, any of the blocks, poles, shores, planks, machines, stores, water cisterns, stages, pipes, pitch pots, cranes, tackle or other appendage belonging, or which may belong to or be used in connection with the dock, nor throw down timber or other heavy thing upon the steps and stone work, or pass the same into or out of the dock otherwise than by the shoots prepared for that purpose.

11. The master, owner or consignee of any vessel required to be swealed whilst in the dock may with the permission of the Dock Master first had and obtained cause such vessel to be swealed only on condition that such owner, master or consignee shall at his own expense procure the attendance of persons with the water laid on, and with a sufficient length of hose to reach every part of the vessel, and that the persons so engaged shall remain constantly near such vessel during such swealing.

12. No vessel will be admitted into the dock until she shall have been duly entered in accordance with rule and regulation No. 1 on the entry books in the Dock Master's office, nor until after the sum of two hundred dollars ($200) shall have been paid to the Dock Master as an entrance fee.

13. For the use of the dock the following charges will be made:—

Gross Tonnage of Vessel.	For the first day of docking.	For each subsequent day the Dock is occupied, including the day the vessel is undocked.
For all vessels up to 1,000 tons............	$300 00	5 cents per ton.
For all vessels between 1,000 and 2,000 tons.	350 00	4½ cents per ton.
For all vessels above 2,000 tons............	400 00	4½ cents per ton up to 2,000 tons, and 2 cents per ton on all tonnage above 2,000 tons.

Cargoes will be charged at the same rates as tonnage, but no charge will be made for ballast, the Dock Master to be the judge. Coal will be classed as cargo.

Each day to be counted from noon to noon, and each fractional part of a day will be charged as one day.

No reduction will be allowed for Sundays and holidays.

The charges for the use of the dock by any vessel shall be due and payable to the Dock Master immediately upon presentation of an account therefor to the master, owner or owners, managing owner or owners, consignee or consignees of such vessel, or the person or persons who shall have signed the entry books in the Dock Master's Office, in respect of such vessel, in accordance with rule and regulation No. 1, and if such rates shall be paid to the Dock Master within ten days after delivery of such account, the entrance fee paid in respect of such shall be returned, but if such rates shall not be paid in the manner and within the period above mentioned, the entrance fee paid in respect of such vessel shall be forfeited to the Crown, and action will be taken by the Crown for the recovery of the amount of such account.

Special rates for the use of the dock for wintering vessels, or for repairing of vessels in the dock during the winter, are to be arranged and settled with the Dock Master under an authority from the Hon. the Minister of Public Works.

14. Vessels for which arrangements have been made for wintering in the dock will not be permitted to enter until *two* days after the last ocean vessel shall have left the harbour of Quebec, and should such vessel or vessels require to enter the dock before such date, then payment of full dock charges for each day preceding will have to be made.

15. Any vessel wintering in the dock must leave it not later than *four* days after the arrival of the first ocean vessel in the harbour of Quebec in the spring, as the wintering term will expire at that date; and all vessels, whether wintering only or wintering and repairing will be required to pay full dock charges for each and every day the dock is occupied by them beyond the date above fixed.

16. When two or more vessels are taken together into the dock, they will be charged in proportion to their respective gross tonnage, but the owners, agents or masters of such vessels must understand that the vessel which is first ready to leave the dock must wait until the other is or the others are finished, and no charge will be made against the waiting vessel providing no work is done thereon. The Government of Canada will not however be responsible, in any way, for any delay which may ensue.

17. Where the crew live on board whilst the vessel is in dock, all night soil, table or cook's refuse, ship's sweepings, ashes, etc., must be removed and placed on the dock property where ordered by the Dock Master, for on no account shall any deposit be made in the dock.

18. Electric light will be supplied upon requisition to the Dock Master by the owner, agent or master of a vessel occupying the dock, and charge will be made therefor.

19. Charges will be made for all shores cut and destroyed, and for all wooden keel blocks, stage poles and planks broken or rendered useless.

20. Her Majesty's ships of war shall have at all times priority of entry, and in the event of its being necessary that such a ship shall enter, the Dock Master shall have the power to cancel existing entries and arrangements, and to treat all such as fresh entries to take effect after such war vessel shall have been undocked.

21. No vessel excepting Her Majesty's ships of war will be allowed to enter the dock with gunpowder or any explosive material on board.

22. Prior to the undocking of each vessel the dock must be properly cleaned by and at the expense of those who have used the dock, and all parts or portions of damaged vessels or machinery which may have been removed and not again used, must be taken from off the dock premises, and all plant, tools and machinery which may have been brought and used in repairs must, after the completion of such repairs, be taken away.

23. It is distinctly to be understood that the Crown will, under no circumstances, be held to be liable or responsible for any accident of any description whatever which may occur to a vessel when in the dock, or when entering or leaving the same.

24. Every person committing an offence against any of the foregoing rules and regulations shall be subject to a penalty of $50 for each and every offence, to be recovered by civil action. 46-4

I. CHANGE IN LIGHTS AT LIMEKILN CROSSING.

The temporary range lights, maintained by the Canadian Government below the dredged channel at the Limekiln Crossing, at the Detroit River, opposite Amherstburg railway station, in the South Riding of Essex, Ontario, which were described in Part IV, Notice to Mariners No. 9 of 1890, will be discontinued on the 1st May next, and replaced by two permanent structures which will show the alignment of the centre of the 440 feet wide dredged channel.

The buildings consist of iron skeleton towers, surmounted by metal lanterns.

The front light is situated on a cribwork pier in 6 feet water, opposite Fort Malden on the east and the head of Bois Blanc Island on the west, above Amherstburg.

Lat. N. 42° 04' 0"
Long. W. 83° 07' 0"

The light will be fixed white, elevated 31 feet above the ordinary level of the river, and should be visible two miles in the line of range. The illuminating apparatus is catoptric.

The height of the tower from the pier to the vane on the lantern is 30 feet.

The back range building is situated 890 feet S. $\frac{1}{10}$ E. from the front light, on a pier in 4 feet water. The light will be fixed red, catoptric, elevated 51 feet above the water, and should be visible two miles in the line of range. The height of the tower is 50 feet.

The alignment of these lights can be kept from its intersection with the alignment of the head of Bois Blanc Island range northward to its intersection with the alignment of the United States range lights at the head of Grosse Isle, hereinafter described.

The magnetic declination at this point is about 45 minutes westwardly.

This notice affects Admiralty Charts Nos. 332, 490 and 679, and Canadian List of Lights and Fog Signals Nos. 211*b* and 211*c*.

The lights are 1,493 feet apart on a line ranging approximately S. by E. ½ E.

The structures are triangular skeleton pyramids, painted brown; the upper 25 feet of each is covered with white slats, and the lights are exhibited 14 feet below the top of the structures.

The front light is 71 feet above mean low water, and its approximate geographical position, as taken from Chart No. 56 of the United States Survey of the Northern and Northwestern Lakes, is:

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'approuver les Règles et Règlements pour l'administration et le fonctionnement du bassin de radoub à Lévis, Québec, ainsi que les droits exigibles pour l'usage du dit bassin.

(Signé) JOHN J. McGEE,
Greffier du Conseil privé.

—

Règles et Règlements concernant l'administration et le fonctionnement du Bassin de radoub à Lévis, Qué.

1. Avant qu'un vaisseau puisse être admis dans le bassin, le temps et la manière de son entrée et le temps qu'il restera dans le dit bassin devront d'abord être fixés et réglés au bureau du capitaine du bassin, et dûment inscrits dans des registres qui seront tenus à cette fin, et aucune inscription ne sera considérée complète tant que le propriétaire du vaisseau ou son représentant n'aura pas signé le registre.

2. Aucun vaisseau ne restera dans le bassin plus longtemps que le temps pour lequel ce vaisseau aura été inscrit au bureau du capitaine du bassin, mais si, avant l'expiration du temps fixé, le capitaine du bassin est notifié par écrit que des circonstances inconnues lorsque le vaisseau a été inscrit, ou au delà du contrôle des parties engagées aux réparations empêcheront leur achèvement dans le délai pour lequel le vaisseau a été inscrit, un nouvel arrangement pourra, si le maître du bassin le juge à propos, être fait pour accorder un autre délai n'excédant pas quatorze (14) jours, selon qu'il jugera nécessaire pour l'achèvement

de ce travail ; mais il ne sera permis à aucun vaisseau de rester plus longtemps que la date fixée par le nouvel arrangement, sauf avec la sanction de l'honorable ministre des Travaux Publics du Canada. Chaque propriétaire, capitaine, propriétaire-gérant ou consignataire, ou la personne qui a signé les registres dans le bureau du capitaine du bassin, d'un vaisseau qui restera dans le bassin après l'expiration du temps pour lequel ce vaisseau aura été d'abord inscrit ou après le temps fixé par tout nouvel arrangement comme susdit, sera censé avoir commis une offense distincte contre ce règlement à l'égard de chaque marée pendant laquelle ce vaisseau aura ainsi resté dans le bassin, et une amende de cinquante piastres ($50) sera imposée pour chaque telle offense ; et l'imposition de cette amende ou de ces amendes au sujet de toute telle offense ou offenses ne libèrera pas les parties de leur obligation de payer les taux du bassin payables au capitaine du bassin pour l'usage du bassin au delà de la période convenue.

3. Si un vaisseau ne sort pas du bassin à l'expiration de la période pour laquelle un arrangement a été fait, le capitaine du bassin, que ce vaisseau soit étanche ou non, ou puisse flotter, pourra ouvrir les portes du bassin pour en laisser sortir tout vaisseau, ou y laisser entrer tout vaisseau ; et toute perte ou dommage subi par tout vaisseau à raison de l'entrée de l'eau dans le bassin sera supporté exclusivement par le propriétaire ou les propriétaires de ce vaisseau, et le capitaine du bassin pourra faire sortir du bassin les vaisseaux qui ne seront pas déplacés par le propriétaire ou les propriétaires en temps convenable, et recouvrer du dit propriétaire ou des dits propriétaires toutes les dépenses encourues en ce faisant, y compris le coût du lest et de l'étanchement du vaisseau si c'est nécessaire.

4. Si un vaisseau n'est pas mis dans le bassin le jour fixé et convenu à cette fin, ce vaisseau sera rayé des registres, et le propriétaire, capitaine, propriétaire-gérant, ou consignataire de ce vaisseau paiera sur demande du capitaine du bassin, le montant, s'il en est, qui aura été perdu au sujet des taux du bassin, à raison de ce manquement ; et sauf dans les circonstances ci-dessous mentionnées son honoraire d'entrée sera confisqué ; mais si le capitaine du bassin est satisfait que ce manquement est dû à du gros temps ou autres circonstances qu'il croira être une raison suffisante, alors sur paiement du montant qui pourra avoir été perdu comme susdit, le vaisseau pourra être remis dans sa position première sur la liste d'entrée sans payer un nouvel honoraire d'entrée.

5. Aucun vaisseau ne sera dégréé ou commencé à être dégréé dans le bassin, sans le consentement de l'honorable ministre des Travaux Publics. Le capitaine du bassin pourra sans retard enlever du bassin tout vaisseau qui aura commencé à être dégréé sans ce consentement, et tous les frais encourus par tel enlèvement seront payés par le capitaine, propriétaire-gérant, capitaine ou consignataire de ce vaisseau, ou par la personne qui a signé le registre dans le bureau du capitaine du bassin pour ce vaisseau.

6. Le capitaine du bassin pourra, à sa discrétion, permettre à un vaisseau qui sera revenu avarié, ou qui sera dans une condition telle qu'il croit que son admission immédiate dans le bassin est réellement nécessaire, —d'entrer dans le bassin de radoub avant tous autres vaisseaux inscrits sur les registres.

7. Aucun vaisseau ne sera calé dans le bassin sans la permission spéciale par écrit du capitaine du bassin qui demandera et obtiendra une déclaration par écrit des personnes intéressées énonçant la raison pour laquelle il est nécessaire de caler le vaisseau.

8. Le propriétaire d'un vaisseau se proposant d'entrer dans le bassin fera poser les tins et étendre les traverses pour sa réception au moins trois heures avant l'eau haute de la marée pour laquelle ce vaisseau aura été inscrit pour entrer dans le bassin ; et dans le cas de vaisseaux en fer, il fera couvrir le bassin par des capuchons de bois dur d'une épaisseur suffisante pour empêcher les tins du bassin d'être coupés ou endommagés par la quille du vaisseau ; l'épaisseur des capuchons sera fixée par le capitaine du bassin. Chaque fois qu'il est nécessaire de mettre des capuchons sur les tins du bassin, avis en sera donné au capitaine du bassin au temps de l'inscription, afin qu'une allocation proportionnelle soit faite quant à la hauteur de l'eau. Tout vaisseau à l'égard duquel ce règlement sera enfreint, sera rayé de la liste d'entrée, et l'honoraire d'entrée sera confisqué.

9. Des tins et étançons horizontaux et des échafauds seront fournis comme suit, savoir :—

Tins : un jeu pour la longueur donnée au temps de l'inscription dans les bureau du capitaine du bassin.

Etançons horizontaux : deux pour chaque quinze pieds de la longueur comme susdit.

Des perches et madriers d'échafaudage en nombre suffisant pour faire un rang d'échafauds autour du vaisseau composé de deux madriers en largeur et une passerelle faite de deux perches et cinq madriers seront aussi fournis.

Personne n'emploiera ni n'enlèvera ces tins, étançons, perches ou madriers ou autres articles appartenant au bassin sans la permission du capitaine du bassin, et toute personne employant ou enlevant tels tins, étançons, perches on madriers ou autre article avec cette permission, les rapportera et les replacera lorsque le capitaine du bassin le demandera.

10. Personne ne détruira, ne coupera ou autrement endommagera, ou laissera aller à la dérive, aucun des tins, perches, étançons, madriers, machines, effets, citernes, échafauds, tuyaux, pots à poix, grues, agrès ou autres appareils appartenant ou qui pourront appartenir au bassin ou y être employés, ni ne jettera à terre du bois de service ou autre chose lourde sur les marches et maçonnerie, ni ne les entrera dans le bassin ni les en sortira autrement que par les plans inclinés préparés dans ce but.

11. Le capitaine, propriétaire ou consignataire d'un vaisseau qui aura besoin d'être brusqué pendant qu'il est dans le bassin, pourra, avec la permission du capitaine du bassin, faire ainsi brusquer ce vaisseau, à condition que ce propriétaire, capitaine ou consignataire se procure à ses frais les services d'un homme qui se tiendra prêt avec de l'eau, et un boyau d'une longueur suffisante pour atteindre chaque partie du vaisseau et que cet homme restera constamment près de ce vaisseau pendant que ce dernier est brusqué.

12. Aucun vaisseau ne sera admis dans le bassin avant d'avoir été dûment inscrit en conformité du Règlement No 1, dans le registre du bureau du capitaine du bassin, ni avant que la somme de deux cents piastres ($200) n'ait été payée au capitaine du bassin comme honoraire d'entrée.

13. L'usage du bassin sera soumis au tarif ci-dessous savoir :—

Tonnage brut du vaisseau.	Pour le premier jour dans le bassin.	Pour chaque jour en sus, y compris le jour de sortie.
Pour tous navires jusqu'à 1,000 ton'x.....	$300 00	5 cts. par ton.
Pour tous navires de 1,000 à 2,000 ton'x...	350 00	$4\frac{1}{2}$ cts. par ton.
Pour tous navires au-dessus de 2,000 ton'x.	400 00	$4\frac{1}{2}$ cts. par tonneau jusqu'à 2,000 tonneaux, et 2 cts. par tonneau sur tout tonnage dépassant 2,000 tonneaux.

Les cargaisons paieront au même taux que le tonnage, mais le lest ne sera pas compté ; le capitaine du bassin sera juge. La houille sera comptée comme cargaison.

Chaque jour sera compté de midi à midi, et chaque fraction d'un jour sera comptée comme un jour.

Aucune réduction ne sera allouée pour les dimanches et les jours de fête.

Les taux pour l'usage du bassin par un vaisseau seront dus et payables au dit bureau du capitaine du bassin immédiatement après la livraison du compte de ces taux au capitaine, propriétaire ou propriétaires, propriétaire-gérant ou propriétaires-gérants, consignataire ou consignataires de ce vaisseau, ou à la personne ou aux personnes qui aura ou auront signé les registres dans le bureau du capitaine du bassin pour ce vaisseau en conformité du Règlement n° 1, et si ces taux sont payés au capitaine du bassin sous dix jours après la livraison de ce compte, l'honoraire d'entrée payé à l'égard de ce vaisseau sera remboursé ; mais si ces taux ne sont pas payés en la manière et dans la période susdites, l'honoraire d'entrée payé à l'égard de ce vaisseau sera confisqué au profit de la couronne, et la couronne pourra intenter une action pour recouvrer le montant de ce compte.

Des taux spéciaux pour l'usage du bassin pour hiverner des vaisseaux, ou pour réparer des vaisseaux dans le bassin pendant l'hiver, doivent être fixés et convenus avec le capitaine du bassin sous l'autorité de l'honorable Ministre des Travaux Publics.

14. Les vaisseaux pour lesquels il a été fait des arrangements pour les hiverner dans le bassin, ne pourront y entrer que *deux* jours après que le dernier navire océanique aura quitté le havre de Québec, et s'il faut absolument que ce vaisseau ou ces vaisseaux entrent dans le bassin avant la dite date, alors ils devront payer le plein montant des frais de bassin pour chaque jour précédent.

15. Tout vaisseau hivernant dans le bassin devra en sortir pas plus tard que *quatre* jours après l'arrivée du premier navire océanique dans le havre de Québec au printemps, vu que la durée d'hivernage expirera à cette date ; et tous vaisseaux, qu'ils soient entrés pour hiverner seulement, ou pour hiverner et être réparés devront payer le plein montant des frais pour tout et chaque jour qu'ils occuperont le bassin après la date ci-dessus fixée.

16. Lorsque deux vaisseaux ou plus entreront ensemble dans le bassin, ils seront taxés en proportion de leurs tonnages bruts respectifs, mais les propriétaires, agents ou capitaines de ces vaisseaux doivent comprendre que le vaisseau qui est le premier prêt à quitter le bassin devra attendre jusqu'à ce que l'autre ou les autres soient finis, et il ne sera rien chargé au vaisseau attendant pourvu qu'il n'y soit pas fait d'ouvrage. Toutefois le gouvernement du Canada ne sera aucunement responsable d'un délai quelconque qui pourrait s'ensuivre.

17. Lorsque l'équipage d'un vaisseau vit à bord pendant qu'il est dans le bassin, toutes vidanges, déchets de table ou de cuisine, balayures, cendres, etc., doivent être enlevés et déposés aux endroits désignés par le capitaine du bassin, car il n'est pas permis de rien déposer dans le bassin.

18. La lumière électrique sera fournie sur demande au capitaine du bassin par le propriétaire, agent ou capitaine d'un vaisseau occupant le bassin, et il sera exigé paiement en conséquence.

19. Paiement sera exigé pour tous étançons coupés et détruits et pour tous tins de bois, perches d'échafaudage et madriers brisés ou rendus inutiles.

20. Les navires de guerre de Sa Majesté auront en tout temps, la priorité d'entrée, et dans le cas où il serait nécessaire de faire entrer un tel navire, le capitaine du bassin aura le pouvoir de canceller toutes inscriptions et tous arrangements antérieurs, et de les traiter comme de nouvelles inscriptions ne devant prendre effet qu'après que ce navire de guerre serait sorti du bassin.

21. Aucun vaisseau, sauf les navires de guerre de Sa Majesté, qui aura de la poudre à canon ou autre matière explosive à bord ne sera admis dans le bassin.

22. Avant la sortie de chaque vaisseau, le bassin sera convenablement nettoyé par et aux frais de celui qui se sera servi du bassin, et toutes parties des vaisseaux ou de machines avariés qui auront été enlevées et mises de côté devront être enlevées du bassin, et tout outillage, outils et machines qui auront été apportés sur les lieux et employés aux réparations, devront être enlevés une fois les réparations faites.

23. Il est bien entendu que la couronne ne se tiendra pas responsable dans aucunes circonstances, des accidents d'une nature quelconque qui pourrait arriver à un vaisseau dans le bassin, ou lorsqu'il y entre ou en sort.

24. Toute personne commettant une offense contre les règlements susdits sera passible d'une amende de cinquante piastres ($50), pout toute et chaque offense, recouvrable par action civile. 46-4

Le propriétaire de tout tel moulin pourra demander au percepteur des douanes de lui accorder une licence pour recevoir dans son moulin, et y moudre et empaqueter du blé, du maïs et autre grain étrangers en entrepôt, et dans cette demande il décrira distinctement la construction et la capacité de tel moulin, et sa position exacte, donnant sa distance du bureau de douane le plus proche, indiquant aussi s'il fonctionne au moyen de la vapeur ou d'un pouvoir hydraulique ou autre moteur, et tels autres détails que le ministre pourra de temps à autre ordonner et prescrire, et énoncera dans la dite demande sa volonté et sa détermination à observer strictement dans la poursuite des dites opérations les lois et règlements qui sont alors ou seront à l'avenir en vigueur concernant les entrepôts de douane.

Le percepteur des douanes transmettra alors la dite demande au Commissaire des Douanes, lequel la présentera au Ministre, et si ce dernier l'approuve, la licence demandée sera accordée, et le dit moulin sera alors connu et classifié comme entrepôt de douane, classe 7.

Le blé, le maïs ou autre grain seront livrés et expédiés à ce moulin ou entrepôt aux mêmes conditions que celles qui régissent les autres effets imposables, après que l'entrée pour leur entreposement aura été dûment faite et complétée, pour y être moulus et empaquetés en entrepôt tel que l'exige la loi, et ce moulin sera en tout temps ouvert à l'inspection et examen des effets qui y sont contenus par tout officier des douanes chargé de faire cette inspection ou examen.

Tout le blé, le maïs et autre grain entrés à l'entrepôt tel que ci-dessus énoncé, ou la quantité de fleur et de farine représentant et étant le produit de ce blé, maïs ou autre grain, seront déclarés à la sortie de l'entrepôt comme suit :

1. Lorsqu'ils sont destinés à la consommation en Canada, une déclaration pour le paiement des droits sera faite, représentant à sa face la quantité de grain moulue et la quantité de son produit en fleur ou farine, et le droit auquel ils sont soumis sera de suite perçu et payé en conséquence.

2. Lorsqu'il s'agit d'un transport à un autre entrepôt, ou à un autre port d'entrepôt, une déclaration pour transport, en la formule voulue, sera faite, donnant les mêmes détails que dans la déclaration pour consommation.

3. Lorsqu'ils sont destinés à l'exportation, la formule prescrite pour la déclaration pour exportation, à la sortie de l'entrepôt, sera employée, et les quantités du grain moulu et son rendement seront correctement indiqués à la face de cette déclaration, en la même forme et manière que s'il s'agissait d'une déclaration pour transport ou pour consommation en Canada.

4. Nul grain ni ses produits ne seront en aucun cas enlevés du moulin ou de l'entrepôt avant qu'une entrée n'ait été dûment faite, et que le percepteur des douanes n'ait accordé un permis à cet effet.

5. Toute infraction aux dispositions des présents règlements ou d'aucun d'eux, rendra les effets et le délinquant passibles des confiscations et peines établies par l'Acte des douanes pour infractions au dit acte, relativement aux effets imposables déclarés à l'entrée et à la sortie de l'entrepôt.

Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.
JOHN GEORGE BOURINOT,

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of May, 1891.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to approve of the following Rules and Regulations for the management and working of the Dry Dock at Lévis, Quebec, as well as of the tariff of charges for the use of said dock.

(Signed) JOHN J. McGEE,
Clerk, Privy Council.

Rules and Regulations for the Management and Working of the Dry Dock at Lévis, Que.

1. No vessel will be admitted into the dock without having the time and manner of her entry, and of her remaining in the dock, fixed and determined at the Dock Master's office and duly noted and entered in books to be kept for that purpose, nor until after the owner of the vessel or his representative shall have signed such note and entry.

2. No vessel shall remain in the dock any longer than the time agreed upon and fixed and noted in the Dock Master's office, but, if before the expiration of the time fixed, the Dock Master shall be satisfied, on a written application to be made to him, for that purpose, that circumstances not known when the vessel was docked, or are beyond the control of the persons engaged in the repairs, will prevent their completion within the period for which the vessel was entitled to remain, a new arrangement may, if the Dock Master shall think proper, be made for such further period not exceeding fourteen (14) days, as he may think requisite ; but no vessel shall be allowed to remain over the date fixed by the new arrangement, except with the sanction of the Honourable the Minister of Public Works of Canada. Every owner, master, managing owner, or consignee of any vessel, or the person by whom the entry books in the Dock Master's office were signed in respect of such vessel, which shall remain in the dock after the expiration of the period or date originally fixed or extended, and fixed by any new arrangement as above mentioned, shall be deemed to have committed a separate offence against this rule and regulation in respect of every tide during which such vessel shall remain in the dock, and a penalty of fifty (50) dollars will be inflicted for every such offence, and the infliction of such penalty or penalties in respect of any such offence or offences shall not relieve the parties from their liability to pay the dock rates payable to the Dock Master in respect of the use of the dock beyond the period for which arrangement had been made.

3. If any vessel will not leave the dock at the expiration of the period for which arrangement had been made, the Dock Master, whether such vessel may or may not be then water tight or capable of being floated, may open the dock to let out any vessel therein, or to admit any other vessel thereto ; and any loss or damage sustained by any vessel by reason of flooding the dock, shall be exclusively borne by the owner or owners of such vessel, and the Dock Master may cause to be removed from the dock, vessels not removed by the owner or owners in due course, and to recover from said owner or owners all expenses incurred in so doing, including the cost of ballast and making the vessel water tight, if necessary.

4. On failure to place a vessel in the dock on the day appointed and agreed upon, for that purpose, such vessel shall be struck off the entry books, and the owner, managing owner, master or consignee of such vessel shall, on demand, pay to the Dock Master the amount, if any, which may have been lost in respect of dock rates and dues by reason of such failure, and except under the circumstances hereinafter mentioned, her entrance fee shall be forfeited, but if the Dock

Master shall be satisfied that such failure arose by stress of weather or other circumstances which shall, in his judgment, be a sufficient reason for the same, then on payment of the amount which may have been lost as aforesaid, the vessel may be re-instated in her original position on the entry list without payment of a fresh entrance fee.

5. No vessel shall be broken up or commenced to be broken up while in the dock without the permission of the Hon. the Minister of Public Works is first had and obtained. The Dock Master may forthwith remove from the dock any vessel which shall be commenced to be broken up without such permission and all costs consequent upon such removal shall be paid by the owner, managing owner, master or consignee of such vessel, or by the person who signed the entry books in the Dock Master's office for and on account of such vessel.

6. The Dock Master may in his discretion allow any vessel which shall have put back in a damaged condition, or which shall under any other circumstances be in such a condition as may in his judgment render her immediate admission into the dock actually necessary, to enter the dock in priority to all other vessels standing on the entry list and books.

7. No vessel shall be scuttled in the dock without the special permission, in writing, of the Dock Master, who shall demand and obtain a written statement from the proper persons why it is necessary that scuttling shall take place.

8. The owner or master of any vessel intending to enter the dock shall cause the blocks to be laid and the ties stretched for her reception at least (3) three hours before high water of the tide for which entry shall have been fixed for the said vessel, and in the case of iron vessels, the owner or master shall also cover the dock blocks with hardwood caps of a thickness sufficient to prevent the dock blocks being cut or injured or broken by the vessel's keel, the thickness of the caps to be fixed by the Dock Master. Whenever caps are required to be placed on the dock blocks, notice thereof shall be given to the Dock Master at the time of entry, in order that a proportionate allowance may be made as to the depth of water. Any vessel in respect of which any breach of this rule and regulation shall occur shall be struck off the entry list and the entrance fee shall be forfeited.

9. Blocks and horizontal shores will be provided as follows, viz. :—

Blocks, one set for the length given at the time of entry at the Dock Master's office.

Horizontal shores, two for every fifteen (15) feet of such length as aforesaid.

A sufficient number of stage poles and planks to make one tier of stages around the vessel, to consist of two (2) planks in breadth and a gangway stage of two poles and five planks will also be provided.

No person shall use or take away any such blocks, shores, poles or planks or other articles belonging to the dock without permission first had and obtained from the Dock Master, and every person using or taking away any of the articles above mentioned with such permission shall return and replace the same when and where required by the Dock Master.

10. No person shall destroy, cut or otherwise damage, or shall allow to go adrift, any of the blocks, poles, shores, planks, machines, stores, water cisterns, stages, pipes, pitch pots, cranes, tackle or other appendage belonging, or which may belong to or be used in connection with the dock, nor throw down timber or other heavy thing upon the steps and stone work, or pass the same into or out of the dock otherwise than by the shoots prepared for that purpose.

11. The master, owner or consignee of any vessel required to be swealed whilst in the dock may with the permission of the Dock Master first had and obtained cause such vessel to be swealed only on condition that such owner, master or consignee shall at his own expense procure the attendance of persons with the water laid on, and with a sufficient length of hose to reach every part of the vessel, and that the persons so engaged shall remain constantly near such vessel during such swealing.

12. No vessel will be admitted into the dock until she shall have been duly entered in accordance with rule and regulation No. 1 on the entry books in the Dock Master's office, nor until after the sum of two hundred dollars ($200) shall have been paid to the Dock Master as an entrance fee.

13. For the use of the dock the following charges will be made :—

Gross Tonnage of Vessel.	For the first day of docking.	For each subsequent day the Dock is occupied, including the day the vessel is undocked.
For all vessels up to 1,000 tons............	$300 00	5 cents per ton.
For all vessels between 1,000 and 2,000 tons.	350 00	4½ cents per ton.
For all vessels above 2,000 tons............	400 00	4½ cents per ton up to 2,000 tons, and 2 cents per ton on all tonnage above 2,000 tons.

Cargoes will be charged at the same rates as tonnage, but no charge will be made for ballast, the Dock Master to be the judge. Coal will be classed as cargo.

Each day to be counted from noon to noon, and each fractional part of a day will be charged as one day.

No reduction will be allowed for Sundays and holidays.

The charges for the use of the dock by any vessel shall be due and payable to the Dock Master immediately upon presentation of an account therefor to the master, owner or owners, managing owner or owners, consignee or consignees of such vessel, or the person or persons who shall have signed the entry books in the Dock Master's Office, in respect of such vessel, in accordance with rule and regulation No. 1, and if such rates shall be paid to the Dock Master within ten days after delivery of such account, the entrance fee paid in respect of such shall be returned, but if such rates shall not be paid in the manner and within the period above mentioned, the entrance fee paid in respect of such vessel shall be forfeited to the Crown, and action will be taken by the Crown for the recovery of the amount of such account.

Special rates for the use of the dock for wintering vessels, or for repairing of vessels in the dock during the winter, are to be arranged and settled with the Dock Master under an authority from the Hon. the Minister of Public Works.

14. Vessels for which arrangements have been made for wintering in the dock will not be permitted to enter until *two* days after the last ocean vessel shall have left the harbour of Quebec, and should such vessel or vessels require to enter the dock before such date, then payment of full dock charges for each day preceding will have to be made.

15. Any vessel wintering in the dock must leave it not later than *four* days after the arrival of the first ocean vessel in the harbour of Quebec in the spring, as the wintering term will expire at that date ; and all vessels, whether wintering only or wintering and repairing will be required to pay full dock charges for each and every day the dock is occupied by them beyond the date above fixed.

16. When two or more vessels are taken together into the dock, they will be charged in proportion to their respective gross tonnage, but the owners, agents or masters of such vessels must understand that the vessel which is first ready to leave the dock must wait until the other is or the others are finished, and no charge will be made against the waiting vessel providing no work is done thereon. The Government of Canada will not however be responsible, in any way, for any delay which may ensue.

17. Where the crew live on board whilst the vessel is in dock, all night soil, table or cook's refuse, ship's sweepings, ashes, etc., must be removed and placed on the dock property where ordered by the Dock Master, for on no account shall any deposit be made in the dock.

18. Electric light will be supplied upon requisition to the Dock Master by the owner, agent or master of a vessel occupying the dock, and charge will be made therefor.

19. Charges will be made for all shores cut and destroyed, and for all wooden keel blocks, stage poles and planks broken or rendered useless.

20. Her Majesty's ships of war shall have at all times priority of entry, and in the event of its being necessary that such a ship shall enter, the Dock Master shall have the power to cancel existing entries and arrangements, and to treat all such as fresh entries to take effect after such war vessel shall have been undocked.

21. No vessel excepting Her Majesty's ships of war will be allowed to enter the dock with gunpowder or any explosive material on board.

22. Prior to the undocking of each vessel the dock must be properly cleaned by and at the expense of those who have used the dock, and all parts or portions of damaged vessels or machinery which may have been removed and not again used, must be taken from off the dock premises, and all plant, tools and machinery which may have been brought and used in repairs must, after the completion of such repairs, be taken away.

23. It is distinctly to be understood that the Crown will, under no circumstances, be held to be liable or responsible for any accident of any description whatever which may occur to a vessel when in the dock, or when entering or leaving the same.

24. Every person committing an offence against any of the foregoing rules and regulations shall be subject to a penalty of $50 for each and every offence, to be recovered by civil action. 46–4

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 1er jour de mai 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'approuver les Règles et Règlements pour l'administration et le fonctionnement du bassin de radoub à Lévis, Québec, ainsi que les droits exigibles pour l'usage du dit bassin.

(Signé) JOHN J. McGEE,
Greffier du Conseil privé.

—

Règles et Règlements concernant l'administration et le fonctionnement du Bassin de radoub à Lévis, Qué.

1. Avant qu'un vaisseau puisse être admis dans le bassin, le temps et la manière de son entrée et le temps qu'il restera dans le dit bassin devront d'abord être fixés et réglés au bureau du capitaine du bassin, et dûment inscrits dans des registres qui seront tenus à cette fin, et aucune inscription ne sera considérée complète tant que le propriétaire du vaisseau ou son représentant n'aura pas signé le registre.

2. Aucun vaisseau ne restera dans le bassin plus longtemps que le temps pour lequel ce vaisseau aura été inscrit au bureau du capitaine du bassin, mais si, avant l'expiration du temps fixé, le capitaine du bassin est notifié par écrit que des circonstances inconnues lorsque le vaisseau a été inscrit, ou au delà du contrôle des parties engagées aux réparations empêcheront leur achèvement dans le délai pour lequel le vaisseau a été inscrit, un nouvel arrangement pourra, si le maître du bassin le juge à propos, être fait pour accorder un autre délai n'excédant pas quatorze (14) jours, selon qu'il jugera nécessaire pour l'achèvement de ce travail ; mais il ne sera permis à aucun vaisseau de rester plus longtemps que la date fixée par le nouvel arrangement, sauf avec la sanction de l'honorable ministre des Travaux Publics du Canada. Chaque propriétaire, capitaine, propriétaire-gérant ou consignataire, ou la personne qui a signé les registres dans le bureau du capitaine du bassin, d'un vaisseau qui restera dans le bassin après l'expiration du temps pour lequel ce vaisseau aura été d'abord inscrit ou après le temps fixé par tout nouvel arrangement comme susdit, sera censé avoir commis une offense distincte contre ce règlement à l'égard de chaque marée pendant laquelle ce vaisseau aura ainsi resté dans le bassin, et une amende de cinquante piastres ($50) sera imposée pour chaque telle offense ; et l'imposition de cette

amende ou de ces amendes au sujet de toute telle offense ou offenses ne libèrera pas les parties de leur obligation de payer les taux du bassin payables au capitaine du bassin pour l'usage du bassin au delà de la période convenue.

3. Si un vaisseau ne sort pas du bassin à l'expiration de la période pour laquelle un arrangement a été fait, le capitaine du bassin, que ce vaisseau soit étanche ou non, ou puisse flotter, pourra ouvrir les portes du bassin pour en laisser sortir tout vaisseau, ou y laisser entrer tout vaisseau ; et toute perte ou dommage subi par tout vaisseau à raison de l'entrée de l'eau dans le bassin sera supporté exclusivement par le propriétaire ou les propriétaires de ce vaisseau, et le capitaine du bassin pourra faire sortir du bassin les vaisseaux qui ne seront pas déplacés par le propriétaire ou les propriétaires en temps convenable, et recouvrer du dit propriétaire ou des dits propriétaires toutes les dépenses encourues en ce faisant, y compris le coût du lest et de l'étanchement du vaisseau si c'est nécessaire.

4. Si un vaisseau n'est pas mis dans le bassin le jour fixé et convenu à cette fin, ce vaisseau sera rayé des registres, et le propriétaire, capitaine, propriétaire-gérant, ou consignataire de ce vaisseau paiera sur demande du capitaine du bassin, le montant, s'il en est, qui aura été perdu au sujet des taux du bassin, à raison de ce manquement ; et sauf dans les circonstances ci-dessous mentionnées son honoraire d'entrée sera confisqué ; mais si le capitaine du bassin est satisfait que ce manquement est dû à du gros temps ou autres circonstances qu'il croira être une raison suffisante, alors sur paiement du montant qui pourra avoir été perdu comme susdit, le vaisseau pourra être remis dans sa position première sur la liste d'entrée sans payer un nouvel honoraire d'entrée.

5. Aucun vaisseau ne sera dégréé ou commencé à être dégréé dans le bassin, sans le consentement de l'honorable ministre des Travaux Publics. Le capitaine du bassin pourra sans retard enlever du bassin tout vaisseau qui aura commencé à être dégréé sans ce consentement, et tous les frais encourus par tel enlèvement seront payés par le capitaine, propriétaire-gérant, capitaine ou consignataire de ce vaisseau, ou par la personne qui a signé le registre dans le bureau du capitaine du bassin pour ce vaisseau.

6. Le capitaine du bassin pourra, à sa discrétion, permettre à un vaisseau qui sera revenu avarié, ou qui sera dans une condition telle qu'il croit que son admission immédiate dans le bassin est réellement nécessaire, —d'entrer dans le bassin de radoub avant tous autres vaisseaux inscrits sur les registres.

7. Aucun vaisseau ne sera calé dans le bassin sans la permission spéciale par écrit du capitaine du bassin qui demandera et obtiendra une déclaration par écrit des personnes intéressées énonçant la raison pour laquelle il est nécessaire de caler le vaisseau.

8. Le propriétaire d'un vaisseau se proposant d'entrer dans le bassin fera poser les tins et étendre les traverses pour sa réception au moins trois heures avant l'eau haute de la marée pour laquelle ce vaisseau aura été inscrit pour entrer dans le bassin ; et dans le cas de vaisseaux en fer, il fera couvrir le bassin par des capuchons de bois dur d'une épaisseur suffisante pour empêcher les tins du bassin d'être coupés ou endommagés par la quille du vaisseau ; l'épaisseur des capuchons sera fixée par le capitaine du bassin. Chaque fois qu'il est nécessaire de mettre des capuchons sur les tins du bassin, avis en sera donné au capitaine du bassin au temps de l'inscription, afin qu'une allocation proportionnelle soit faite quant à la hauteur de l'eau. Tout vaisseau à l'égard duquel ce règlement sera enfreint, sera rayé de la liste d'entrée, et l'honoraire d'entrée sera confisqué.

9. Des tins et étançons horizontaux et des échafauds seront fournis comme suit, savoir :—

Tins : un jeu pour la longueur donnée au temps de l'inscription dans les bureau du capitaine du bassin.

Etançons horizontaux : deux pour chaque quinze pieds de la longueur comme susdit.

Des perches et madriers d'échafaudage en nombre suffisant pour faire un rang d'échafauds autour du vaisseau composé de deux madriers en largeur et une passerelle faite de deux perches et cinq madriers seront aussi fournis.

Personne n'emploiera ni n'enlèvera ces tins, étançons, perches ou madriers ou autres articles appartenant au bassin sans la permission du capitaine du bassin, et toute personne employant ou enlevant tels tins, étançons, perches on madriers ou autre article avec cette permission, les rapportera et les replacera lorsque le capitaine du bassin le demandera.

10. Personne ne détruira, ne coupera ou autrement endommagera, ou laissera aller à la dérive, aucun des tins, perches, étançons, madriers, machines, effets, citernes, échafauds, tuyaux, pots à poix, grues, agrès ou autres appareils appartenant ou qui pourront appartenir au bassin ou y être employés, ni ne jettera à terre du bois de service ou autre chose lourde sur les marches et maçonnerie, ni ne les entrera dans le bassin ni les en sortira autrement que par les plans inclinés préparés dans ce but.

11. Le capitaine, propriétaire ou consignataire d'un vaisseau qui aura besoin d'être brusqué pendant qu'il est dans le bassin, pourra, avec la permission du capitaine du bassin, faire ainsi brusquer ce vaisseau, à condition que ce propriétaire, capitaine ou consignataire se procure à ses frais les services d'un homme qui se tiendra prêt avec de l'eau, et un boyau d'une longueur suffisante pour atteindre chaque partie du vaisseau et que cet homme restera constamment près de ce vaisseau pendan que ce dernier est brusqué.

12. Aucun vaisseau ne sera admis dans le bassin avant d'avoir été dûment inscrit en conformité du Règlement No 1, dans le registre du bureau du capitaine du bassin, ni avant que la somme de deux cents piastres ($200) n'ait été payée au capitaine du bassin comme honoraire d'entrée.

13. L'usage du bassin sera soumis au tarif ci-dessous savoir :—

Tonnage brut du vaisseau.	Pour le premier jour dans le bassin.	Pour chaque jour en sus, y compris le jour de sortie.
Pour tous navires jusqu'à 1,000 ton'x.....	$300 00	5 cts. par ton.
Pour tous navires de 1,000 à 2,000 ton'x...	350 00	4½ cts. par ton.
Pour tous navires au-dessus de 2,000 ton'x.	400 00	4½ cts. par tonneau jusqu'à 2,000 tonneaux, et 2 cts. par tonneau sur tout tonnage dépassant 2,000 tonneaux.

Les cargaisons paieront au même taux que le tonnage, mais le lest ne sera pas compté ; le capitaine du bassin sera juge. La houille sera comptée comme cargaison.

Chaque jour sera compté de midi à midi, et chaque fraction d'un jour sera comptée comme un jour.

Aucune réduction ne sera allouée pour les dimanches et les jours de fête.

Les taux pour l'usage du bassin par un vaisseau seront dus et payables au dit bureau du capitaine du bassin immédiatement après la livraison du compte de ces taux au capitaine, propriétaire ou propriétaires, propriétaire-gérant ou propriétaires-gérants, consignataire ou consignataires de ce vaisseau, ou à la personne ou aux personnes qui aura ou auront signé les registres dans le bureau du capitaine du bassin pour ce vaisseau en conformité du Règlement n° 1, et si ces taux sont payés au capitaine du bassin sous dix jours après la livraison de ce compte, l'honoraire d'entrée payé à l'égard de ce vaisseau sera remboursé ; mais si ces taux ne sont pas payés en la manière et dans la période susdites, l'honoraire d'entrée payé à l'égard de ce vaisseau sera confisqué au profit de la couronne, et la couronne pourra intenter une action pour recouvrer le montant de ce compte.

Des taux spéciaux pour l'usage du bassin pour hiverner des vaisseaux, ou pour réparer des vaisseaux dans le bassin pendant l'hiver, doivent être fixés et convenus avec le capitaine du bassin sous l'autorité de l'honorable Ministre des Travaux Publics.

14. Les vaisseaux pour lesquels il a été fait des arrangements pour les hiverner dans le bassin, ne pourront y entrer que *deux* jours après que le dernier navire océanique aura quitté le havre de Québec, et s'il faut absolument que ce vaisseau ou ces vaisseaux entrent dans le bassin avant la dite date, alors ils devront payer le plein montant des frais de bassin pour chaque jour précédent.

15. Tout vaisseau hivernant dans le bassin devra en sortir pas plus tard que *quatre* jours après l'arrivée du premier navire océanique dans le havre de Québec au printemps, vu que la durée d'hivernage expirera à cette date ; et tous vaisseaux, qu'ils soient entrés pour hiverner seulement, ou pour hiverner et être réparés devront payer le plein montant des frais pour tout et chaque jour qu'ils occuperont le bassin après la date ci-dessus fixée.

16. Lorsque deux vaisseaux ou plus entreront ensemble dans le bassin, ils seront taxés en proportion de leurs tonnages bruts respectifs, mais les propriétaires, agents ou capitaines de ces vaisseaux doivent comprendre que le vaisseau qui est le premier prêt à quitter le bassin devra attendre jusqu'à ce que l'autre ou les autres soient finis, et il ne sera rien chargé au vaisseau attendant pourvu qu'il n'y soit pas fait d'ouvrage. Toutefois le gouvernement du Canada ne sera aucunement responsable d'un délai quelconque qui pourrait s'ensuivre.

17. Lorsque l'équipage d'un vaisseau vit à bord pendant qu'il est dans le bassin, toutes vidanges, déchets de table ou de cuisine, balayures, cendres, etc., doivent être enlevés et déposés aux endroits désignés par le capitaine du bassin, car il n'est pas permis de rien déposer dans le bassin.

18. La lumière électrique sera fournie sur demande au capitaine du bassin par le propriétaire, agent ou capitaine d'un vaisseau occupant le bassin, et il sera exigé paiement en conséquence.

19. Paiement sera exigé pour tous étançons coupés et détruits et pour tous tins de bois, perches d'échafaudage et madriers brisés ou rendus inutiles.

20. Les navires de guerre de Sa Majesté auront en tout temps, la priorité d'entrée, et dans le cas où il serait nécessaire de faire entrer un tel navire, le capitaine du bassin aura le pouvoir de canceller toutes inscriptions et tous arrangements antérieurs, et de les traiter comme de nouvelles inscriptions ne devant prendre effet qu'après que ce navire de guerre serait sorti du bassin.

21. Aucun vaisseau, sauf les navires de guerre de Sa Majesté, qui aura de la poudre à canon ou autre matière explosive à bord ne sera admis dans le bassin.

22. Avant la sortie de chaque vaisseau, le bassin sera convenablement nettoyé par et aux frais de celui qui se sera servi du bassin, et toutes parties des vaisseaux ou de machines avariés qui auront été enlevées et mises de côté devront être enlevées du bassin, et tout outillage, outils et machines qui auront été apportés sur les lieux et employés aux réparations, devront être enlevés une fois les réparations faites.

23. Il est bien entendu que la couronne ne se tiendra pas responsable dans aucunes circonstances, des accidents d'une nature quelconque qui pourrait arriver à un vaisseau dans le bassin, ou lorsqu'il y entre ou en sort.

24. Toute personne commettant une offense contre les règlements susdits sera passible d'une amende de cinquante piastres ($50), pout toute et chaque offense, recouvrable par action civile. 46–4

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 27e jour d'avril 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par "l'Acte des douanes," chapitre 32 des Statuts Revisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les règlements concernant la mouture et l'empaquetage du blé, du maïs et autre grain en entrepôt, établis par l'arrêté en conseil du 21e jour d'avril 1880, et continués par les articles 16 et 17 de l'arrêté en conseil refondu du 25e jour de juillet 1888, chapitre 8 des Arrêtés en conseil refondus du Canada, seront et ils sont par le présent rescindés, et ils sont remplacés par les règlements ci-dessous :

Le ministre des Douanes pourra autoriser le percepteur des douanes d'un port d'entrepôt ou d'un port secondaire d'entrée, à accorder une licence à tout moulin convenablement construit pour moudre du grain, et reconnaître ce moulin comme entrepôt de douane pour servir à l'emmagasinage, la mouture et l'empaquetage du blé, du maïs et autre grain étrangers en entrepôt, sujet aux règlements ci-dessous :—

Le propriétaire de tout tel moulin pourra demander au percepteur des douanes de lui accorder une licence pour recevoir dans son moulin, et y moudre et empaqueter du blé, du maïs et autre grain étrangers en entrepôt, et dans cette demande il décrira distinctement la construction et la capacité de tel moulin, et sa position exacte, donnant sa distance du bureau de douane le plus proche, indiquant aussi s'il fonctionne au moyen de la vapeur ou d'un pouvoir hydraulique ou autre moteur, et tels autres détails que le ministre pourra de temps à autre ordonner et prescrire, et énoncera dans la dite demande sa volonté et sa détermination à observer strictement dans la poursuite des dites opérations les lois et règlements qui sont alors ou seront à l'avenir en vigueur concernant les entrepôts de douane.

Le percepteur des douanes transmettra alors la dite demande au Commissaire des Douanes, lequel la présentera au Ministre, et si ce dernier l'approuve, la licence demandée sera accordée, et le dit moulin sera alors connu et classifié comme entrepôt de douane, classe 7.

Le blé, le maïs ou autre grain seront livrés et expédiés à ce moulin ou entrepôt aux mêmes conditions que celles qui régissent les autres effets imposables, après que l'entrée pour leur entreposement aura été dûment faite et complétée, pour y être moulus et empaquetés en entrepôt tel que l'exige la loi, et ce moulin sera en tout temps ouvert à l'inspection et examen des effets qui y sont contenus par tout officier des douanes chargé de faire cette inspection ou examen.

Tout le blé, le maïs et autre grain entrés à l'entrepôt tel que ci-dessus énoncé, ou la quantité de fleur et de farine représentant et étant le produit de ce blé, maïs ou autre grain, seront déclarés à la sortie de l'entrepôt comme suit :

1. Lorsqu'ils sont destinés à la consommation en Canada, une déclaration pour le paiement des droits sera faite, représentant à sa face la quantité de grain moulue et la quantité de son produit en fleur ou farine, et le droit auquel ils sont soumis sera de suite perçu et payé en conséquence.

2. Lorsqu'il s'agit d'un transport à un autre entrepôt, ou à un autre port d'entrepôt, une déclaration pour transport, en la formule voulue, sera faite, donnant les mêmes détails que dans la déclaration pour consommation.

3. Lorsqu'ils sont destinés à l'exportation, la formule prescrite pour la déclaration pour exportation, à la sortie de l'entrepôt, sera employée, et les quantités du grain moulu et son rendement seront correctement indiqués à la face de cette déclaration, en la même forme et manière que s'il s'agissait d'une déclaration pour transport ou pour consommation en Canada.

4. Nul grain ni ses produits ne seront en aucun cas enlevés du moulin ou de l'entrepôt avant qu'une entrée n'ait été dûment faite, et que le percepteur des douanes n'ait accordé un permis à cet effet.

5. Toute infraction aux dispositions des présents règlements ou d'aucun d'eux, rendra les effets et le délinquant passibles des confiscations et peines établies par l'Acte des douanes pour infractions au dit acte, relativement aux effets imposables déclarés à l'entrée et à la sortie de l'entrepôt.

Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of May, 1891.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to approve of the following Rules and Regulations for the management and working of the Dry Dock at Lévis, Quebec, as well as of the tariff of charges for the use of said dock.

(Signed) JOHN J. McGEE,
Clerk, Privy Council.

—

Rules and Regulations for the Management and Working of the Dry Dock at Lévis, Que.

1. No vessel will be admitted into the dock without having the time and manner of her entry, and of her

remaining in the dock, fixed and determined at the Dock Master's office and duly noted and entered in books to be kept for that purpose, nor until after the owner of the vessel or his representative shall have signed such note and entry.

2. No vessel shall remain in the dock any longer than the time agreed upon and fixed and noted in the Dock Master's office, but, if before the expiration of the time fixed, the Dock Master shall be satisfied, on a written application to be made to him, for that purpose, that circumstances not known when the vessel was docked, or are beyond the control of the persons engaged in the repairs, will prevent their completion within the period for which the vessel was entitled to remain, a new arrangement may, if the Dock Master shall think proper, be made for such further period not exceeding fourteen (14) days, as he may think requisite ; but no vessel shall be allowed to remain over the date fixed by the new arrangement, except with the sanction of the Honourable the Minister of Public Works of Canada. Every owner, master, managing owner, or consignee of any vessel, or the person by whom the entry books in the Dock Master's office were signed in respect of such vessel, which shall remain in the dock after the expiration of the period or date originally fixed or extended, and fixed by any new arrangement as above mentioned, shall be deemed to have committed a separate offence against this rule and regulation in respect of every tide during which such vessel shall remain in the dock, and a penalty of fifty (50) dollars will be inflicted for every such offence, and the infliction of such penalty or penalties in respect of any such offence or offences shall not relieve the parties from their liability to pay the dock rates payable to the Dock Master in respect of the use of the dock beyond the period for which arrangement had been made.

3. If any vessel will not leave the dock at the expiration of the period for which arrangement had been made, the Dock Master, whether such vessel may or may not be then water tight or capable of being floated, may open the dock to let out any vessel therein, or to admit any other vessel thereto ; and any loss or damage sustained by any vessel by reason of flooding the dock, shall be exclusively borne by the owner or owners of such vessel, and the Dock Master may cause to be removed from the dock, vessels not removed by the owner or owners in due course, and to recover from said owner or owners all expenses incurred in so doing, including the cost of ballast and making the vessel water tight, if necessary.

4. On failure to place a vessel in the dock on the day appointed and agreed upon, for that purpose, such vessel shall be struck off the entry books, and the owner, managing owner, master or consignee of such vessel shall, on demand, pay to the Dock Master the amount, if any, which may have been lost in respect of dock rates and dues by reason of such failure, and except under the circumstances hereinafter mentioned, her entrance fee shall be forfeited, but if the Dock Master shall be satisfied that such failure arose by stress of weather or other circumstances which shall, in his judgment, be a sufficient reason for the same, then on payment of the amount which may have been lost as aforesaid, the vessel may be re-instated in her original position on the entry list without payment of a fresh entrance fee.

5. No vessel shall be broken up or commenced to be broken up while in the dock without the permission of the Hon. the Minister of Public Works is first had and obtained. The Dock Master may forthwith remove from the dock any vessel which shall be commenced to be broken up without such permission and all costs consequent upon such removal shall be paid by the owner, managing owner, master or consignee of such vessel, or by the person who signed the entry books in the Dock Master's office for and on account of such vessel.

6. The Dock Master may in his discretion allow any vessel which shall have put back in a damaged condition, or which shall under any other circumstances be in such a condition as may in his judgment render her immediate admission into the dock actually necessary, to enter the dock in priority to all other vessels standing on the entry list and books.

7. No vessel shall be scuttled in the dock without the special permission, in writing, of the Dock Master, who shall demand and obtain a written statement from the proper persons why it is necessary that scuttling shall take place.

8. The owner or master of any vessel intending to enter the dock shall cause the blocks to be laid and the ties stretched for her reception at least (3) three hours before high water of the tide for which entry shall have been fixed for the said vessel, and in the case of iron vessels, the owner or master shall also cover the dock blocks with hardwood caps of a thickness sufficient to prevent the dock blocks being cut or injured or broken by the vessel's keel, the thickness of the caps to be fixed by the Dock Master. Whenever caps are required to be placed on the dock blocks, notice thereof shall be given to the Dock Master at the time of entry, in order that a proportionate allowance may be made as to the depth of water. Any vessel in respect of which any breach of this rule and regulation shall occur shall be struck off the entry list and the entrance fee shall be forfeited.

9. Blocks and horizontal shores will be provided as follows, viz. :—

Blocks, one set for the length given at the time of entry at the Dock Master's office.

Horizontal shores, two for every fifteen (15) feet of such length as aforesaid.

A sufficient number of stage poles and planks to make one tier of stages around the vessel, to consist of two (2) planks in breadth and a gangway stage of two poles and five planks will also be provided.

No person shall use or take away any such blocks, shores, poles or planks or other articles belonging to the dock without permission first had and obtained from the Dock Master, and every person using or taking away any of the articles above mentioned with such permission shall return and replace the same when and where required by the Dock Master.

10. No person shall destroy, cut or otherwise damage, or shall allow to go adrift, any of the blocks, poles, shores, planks, machines, stores, water cisterns, stages, pipes, pitch pots, cranes, tackle or other appendage belonging, or which may belong to or be used in connection with the dock, nor throw down timber or other heavy thing upon the steps and stone work, or pass the same into or out of the dock otherwise than by the shoots prepared for that purpose.

11. The master, owner or consignee of any vessel required to be swealed whilst in the dock may with the permission of the Dock Master first had and obtained cause such vessel to be swealed only on condition that such owner, master or consignee shall at his own expense procure the attendance of persons with the water laid on, and with a sufficient length of hose to reach every part of the vessel, and that the persons so engaged shall remain constantly near such vessel during such swealing.

12. No vessel will be admitted into the dock until she shall have been duly entered in accordance with rule and regulation No. 1 on the entry books in the Dock Master's office, nor until after the sum of two hundred dollars ($200) shall have been paid to the Dock Master as an entrance fee.

13. For the use of the dock the following charges will be made :—

Gross Tonnage of Vessel.	For the first day of docking.	For each subsequent day the Dock is occupied, including the day the vessel is undocked.
For all vessels up to 1,000 tons............	$300 00	5 cents per ton.
For all vessels between 1,000 and 2,000 tons.	350 00	4½ cents per ton.
For all vessels above 2,000 tons............	400 00	4½ cents per ton up to 2,000 tons, and 2 cents per ton on all tonnage above 2,000 tons.

Cargoes will be charged at the same rates as tonnage, but no charge will be made for ballast, the Dock Master to be the judge. Coal will be classed as cargo.

Each day to be counted from noon to noon, and each fractional part of a day will be charged as one day.

No reduction will be allowed for Sundays and holidays.

The charges for the use of the dock by any vessel shall be due and payable to the Dock Master immediately upon presentation of an account therefor to the master, owner or owners, managing owner or owners, consignee or consignees of such vessel, or the person or persons who shall have signed the entry books in the Dock Master's Office, in respect of such vessel, in accordance with rule and regulation No. 1, and if such rates shall be paid to the Dock Master within ten days after delivery of such account, the entrance fee paid in respect of such shall be returned, but if such rates shall not be paid in the manner and within the period above mentioned, the entrance fee paid in respect of such vessel shall be forfeited to the Crown, and action will be taken by the Crown for the recovery of the amount of such account.

Special rates for the use of the dock for wintering vessels, or for repairing of vessels in the dock during the winter, are to be arranged and settled with the Dock Master under an authority from the Hon. the Minister of Public Works.

14. Vessels for which arrangements have been made for wintering in the dock will not be permitted to enter until *two* days after the last ocean vessel shall have left the harbour of Quebec, and should such vessel or vessels require to enter the dock before such date, then payment of full dock charges for each day preceding will have to be made.

15. Any vessel wintering in the dock must leave it not later than *four* days after the arrival of the first ocean vessel in the harbour of Quebec in the spring, as the wintering term will expire at that date ; and all vessels, whether wintering only or wintering and repairing will be required to pay full dock charges for each and every day the dock is occupied by them beyond the date above fixed.

16. When two or more vessels are taken together into the dock, they will be charged in proportion to their respective gross tonnage, but the owners, agents or masters of such vessels must understand that the vessel which is first ready to leave the dock must wait until the other is or the others are finished, and no charge will be made against the waiting vessel providing no work is done thereon. The Government of Canada will not however be responsible, in any way, for any delay which may ensue.

17. Where the crew live on board whilst the vessel is in dock, all night soil, table or cook's refuse, ship's sweepings, ashes, etc., must be removed and placed on the dock property where ordered by the Dock Master, for on no account shall any deposit be made in the dock.

18. Electric light will be supplied upon requisition to the Dock Master by the owner, agent or master of a vessel occupying the dock, and charge will be made therefor.

19. Charges will be made for all shores cut and destroyed, and for all wooden keel blocks, stage poles and planks broken or rendered useless.

20. Her Majesty's ships of war shall have at all times priority of entry, and in the event of its being necessary that such a ship shall enter, the Dock Master shall have the power to cancel existing entries and arrangements, and to treat all such as fresh entries to take effect after such war vessel shall have been undocked.

21. No vessel excepting Her Majesty's ships of war will be allowed to enter the dock with gunpowder or any explosive material on board.

22. Prior to the undocking of each vessel the dock must be properly cleaned by and at the expense of those who have used the dock, and all parts or portions of damaged vessels or machinery which may have been removed and not again used, must be taken from off the dock premises, and all plant, tools and machinery which may have been brought and used in repairs must, after the completion of such repairs, be taken away.

23. It is distinctly to be understood that the Crown will, under no circumstances, be held to be liable or responsible for any accident of any description whatever which may occur to a vessel when in the dock, or when entering or leaving the same.

24. Every person committing an offence against any of the foregoing rules and regulations shall be subject to a penalty of $50 for each and every offence, to be recovered by civil action. 46-4

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 1er jour de mai 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'approuver les Règles et Règlements pour l'administration et le fonctionnement du bassin de radoub à Lévis, Québec, ainsi que les droits exigibles pour l'usage du dit bassin.

(Signé) JOHN J. McGEE,
Greffier du Conseil privé.

Règles et Règlements concernant l'administration et le fonctionnement du Bassin de radoub à Lévis, Qué.

1. Avant qu'un vaisseau puisse être admis dans le bassin, le temps et la manière de son entrée et le temps qu'il restera dans le dit bassin devront d'abord être fixés et réglés au bureau du capitaine du bassin, et dûment inscrits dans des registres qui seront tenus à cette fin, et aucune inscription ne sera considérée complète tant que le propriétaire du vaisseau ou son représentant n'aura pas signé le registre.

2. Aucun vaisseau ne restera dans le bassin plus longtemps que le temps pour lequel ce vaisseau aura été inscrit au bureau du capitaine du bassin, mais si, avant l'expiration du temps fixé, le capitaine du bassin est notifié par écrit que des circonstances inconnues lorsque le vaisseau a été inscrit, ou au delà du contrôle des parties engagées aux réparations empêcheront leur achèvement dans le délai pour lequel le vaisseau a été inscrit, un nouvel arrangement pourra, si le maître du bassin le juge à propos, être fait pour accorder un autre délai n'excédant pas quatorze (14) jours, selon qu'il jugera nécessaire pour l'achèvement de ce travail ; mais il ne sera permis à aucun vaisseau de rester plus longtemps que la date fixée par le nouvel arrangement, sauf avec la sanction de l'honorable ministre des Travaux Publics du Canada. Chaque propriétaire, capitaine, propriétaire-gérant ou consignataire, ou la personne qui a signé les registres dans le bureau du capitaine du bassin, d'un vaisseau qui restera dans le bassin après l'expiration du temps pour lequel ce vaisseau aura été d'abord inscrit ou après le temps fixé par tout nouvel arrangement comme susdit, sera censé avoir commis une offense distincte contre ce règlement à l'égard de chaque marée pendant laquelle ce vaisseau aura ainsi resté dans le bassin, et une amende de cinquante piastres ($50) sera imposée pour chaque telle offense ; et l'imposition de cette amende ou de ces amendes au sujet de toute telle offense ou offenses ne libèrera pas les parties de leur obligation de payer les taux du bassin payables au capitaine du bassin pour l'usage du bassin au delà de la période convenue.

3. Si un vaisseau ne sort pas du bassin à l'expiration de la période pour laquelle un arrangement a été fait, le capitaine du bassin, que ce vaisseau soit étanche ou non, ou puisse flotter, pourra ouvrir les portes du bassin pour en laisser sortir tout vaisseau, ou y laisser entrer tout vaisseau ; et toute perte ou dommage subi par tout vaisseau à raison de l'entrée de l'eau dans le bassin sera supporté exclusivement par le propriétaire ou les propriétaires de ce vaisseau, et le capitaine du bassin pourra faire sortir du bassin les vaisseaux qui ne seront pas déplacés par le propriétaire ou les propriétaires en temps convenable, et recouvrer du dit propriétaire ou des dits propriétaires toutes les dépenses encourues en ce faisant, y compris le coût du lest et de l'étanchement du vaisseau si c'est nécessaire.

4. Si un vaisseau n'est pas mis dans le bassin le jour fixé et convenu à cette fin, ce vaisseau sera rayé des registres, et le propriétaire, capitaine, propriétaire-gérant, ou consignataire de ce vaisseau paiera sur demande du capitaine du bassin, le montant, s'il en est, qui aura été perdu au sujet des taux du bassin, à raison de ce manquement ; et sauf dans les circonstances ci-dessous mentionnées son honoraire d'entrée sera confisqué ; mais si le capitaine du bassin est satisfait que ce manquement est dû à du gros temps ou autres circonstances qu'il croira être une raison suffisante, alors sur paiement du montant qui pourra avoir été perdu comme susdit, le vaisseau pourra être remis dans sa position première sur la liste d'entrée sans payer un nouvel honoraire d'entrée.

5. Aucun vaisseau ne sera dégréé ou commencé à être dégréé dans le bassin, sans le consentement de l'honorable ministre des Travaux Publics. Le capitaine du bassin pourra sans retard enlever du bassin tout vaisseau qui aura commencé à être dégréé sans ce consentement, et tous les frais encourus par tel enlèvement seront payés par le capitaine, propriétaire-gérant, capitaine ou consignataire de ce vaisseau, ou par la personne qui a signé le registre dans le bureau du capitaine du bassin pour ce vaisseau.

6. Le capitaine du bassin pourra, à sa discrétion, permettre à un vaisseau qui sera revenu avarié, ou qui sera dans une condition telle qu'il croit que son admission immédiate dans le bassin est réellement nécessaire, —d'entrer dans le bassin de radoub avant tous autres vaisseaux inscrits sur les registres.

7. Aucun vaisseau ne sera calé dans le bassin sans la permission spéciale par écrit du capitaine du bassin qui

demandera et obtiendra une déclaration par écrit des personnes intéressées énonçant la raison pour laquelle il est nécessaire de caler le vaisseau.

8. Le propriétaire d'un vaisseau se proposant d'entrer dans le bassin fera poser les tins et étendre les traverses pour sa réception au moins trois heures avant l'eau haute de la marée pour laquelle ce vaisseau aura été inscrit pour entrer dans le bassin ; et dans le cas de vaisseaux en fer, il fera couvrir le bassin par des capuchons de bois dur d'une épaisseur suffisante pour empêcher les tins du bassin d'être coupés ou endommagés par la quille du vaisseau ; l'épaisseur des capuchons sera fixée par le capitaine du bassin. Chaque fois qu'il est nécessaire de mettre des capuchons sur les tins du bassin, avis en sera donné au capitaine du bassin au temps de l'inscription, afin qu'une allocation proportionnelle soit faite quant à la hauteur de l'eau. Tout vaisseau à l'égard duquel ce règlement sera enfreint, sera rayé de la liste d'entrée, et l'honoraire d'entrée sera confisqué.

9. Des tins et étançons horizontaux et des échafauds seront fournis comme suit, savoir :—

Tins : un jeu pour la longueur donnée au temps de l'inscription dans les bureau du capitaine du bassin.

Etançons horizontaux : deux pour chaque quinze pieds de la longueur comme susdit.

Des perches et madriers d'échafaudage en nombre suffisant pour faire un rang d'échafauds autour du vaisseau composé de deux madriers en largeur et une passerelle faite de deux perches et cinq madriers seront aussi fournis.

Personne n'emploiera ni n'enlèvera ces tins, étançons, perches ou madriers ou autres articles appartenant au bassin sans la permission du capitaine du bassin, et toute personne employant ou enlevant tels tins, étançons, perches on madriers ou autre article avec cette permission, les rapportera et les replacera lorsque le capitaine du bassin le demandera.

10. Personne ne détruira, ne coupera ou autrement endommagera, ou laissera aller à la dérive, aucun des tins, perches, étançons, madriers, machines, effets, citernes, échafauds, tuyaux, pots à poix, grues, agrès ou autres appareils appartenant ou qui pourront appartenir au bassin ou y être employés, ni ne jettera à terre du bois de service ou autre chose lourde sur les marches et maçonnerie, ni ne les entrera dans le bassin ni les en sortira autrement que par les plans inclinés préparés dans ce but.

11. Le capitaine, propriétaire ou consignataire d'un vaisseau qui aura besoin d'être brusqué pendant qu'il est dans le bassin, pourra, avec la permission du capitaine du bassin, faire ainsi brusquer ce vaisseau, à condition que ce propriétaire, capitaine ou consignataire se procure à ses frais les services d'un homme qui se tiendra prêt avec de l'eau, et un boyau d'une longueur suffisante pour atteindre chaque partie du vaisseau et que cet homme restera constamment près de ce vaisseau pendant que ce dernier est brusqué.

12. Aucun vaisseau ne sera admis dans le bassin avant d'avoir été dûment inscrit en conformité du Règlement No 1, dans le registre du bureau du capitaine du bassin, ni avant que la somme de deux cents piastres ($200) n'ait été payée au capitaine du bassin comme honoraire d'entrée.

13. L'usage du bassin sera soumis au tarif ci-dessous savoir :—

Tonnage brut du vaisseau.	Pour le premier jour dans le bassin.	Pour chaque jour en sus, y compris le jour de sortie.
Pour tous navires jusqu'à 1,000 ton'x.....	$300 00	5 cts. par ton.
Pour tous navires de 1,000 à 2,000 ton'x...	350 00	4½ cts. par ton.
Pour tous navires au-dessus de 2,000 ton'x.	400 00	4½ cts. par tonneau jusqu'à 2,000 tonneaux, et 2 cts. par tonneau sur tout tonnage dépassant 2,000 tonneaux.

Les cargaisons paieront au même taux que le tonnage, mais le lest ne sera pas compté ; le capitaine du bassin sera juge. La houille sera comptée comme cargaison.

Chaque jour sera compté de midi à midi, et chaque fraction d'un jour sera comptée comme un jour.

Aucune réduction ne sera allouée pour les dimanches et les jours de fête.

Les taux pour l'usage du bassin par un vaisseau seront dus et payables au dit bureau du capitaine du bassin immédiatement après la livraison du compte de ces taux au capitaine, propriétaire ou propriétaires, propriétaire-gérant ou propriétaires-gérants, consignataire ou consignataires de ce vaisseau, ou à la personne ou aux personnes qui aura ou auront signé les registres dans le bureau du capitaine du bassin pour ce vaisseau en conformité du Règlement n° 1, et si ces taux sont payés au capitaine du bassin sous dix jours après la livraison de ce compte, l'honoraire d'entrée payé à l'égard de ce vaisseau sera remboursé ; mais si ces taux ne sont pas payés en la manière et dans la période susdites, l'honoraire d'entrée payé à l'égard de ce vaisseau sera confisqué au profit de la couronne, et la couronne pourra intenter une action pour recouvrer le montant de ce compte.

Des taux spéciaux pour l'usage du bassin pour hiverner des vaisseaux, ou pour réparer des vaisseaux dans le bassin pendant l'hiver, doivent être fixés et convenus avec le capitaine du bassin sous l'autorité de l'honorable Ministre des Travaux Publics.

14. Les vaisseaux pour lesquels il a été fait des arrangements pour les hiverner dans le bassin, ne pourront y entrer que *deux* jours après que le dernier navire océanique aura quitté le havre de Québec, et s'il faut absolument que ce vaisseau ou ces vaisseaux entrent dans le bassin avant la dite date, alors ils devront payer le plein montant des frais de bassin pour chaque jour précédent.

15. Tout vaisseau hivernant dans le bassin devra en sortir pas plus tard que *quatre* jours après l'arrivée du premier navire océanique dans le havre de Québec au printemps, vu que la durée d'hivernage expirera à cette date ; et tous vaisseaux, qu'ils soient entrés pour hiverner seulement, ou pour hiverner et être réparés devront payer le plein montant des frais pour tout et chaque jour qu'ils occuperont le bassin après la date ci-dessus fixée.

16. Lorsque deux vaisseaux ou plus entreront ensemble dans le bassin, ils seront taxés en proportion de leurs tonnages bruts respectifs, mais les propriétaires, agents ou capitaines de ces vaisseaux doivent comprendre que le vaisseau qui est le premier prêt à quitter le bassin devra attendre jusqu'à ce que l'autre ou les autres soient finis, et il ne sera rien chargé au vaisseau attendant pourvu qu'il n'y soit pas fait d'ouvrage. Toutefois le gouvernement du Canada ne sera aucunement responsable d'un délai quelconque qui pourrait s'ensuivre.

17. Lorsque l'équipage d'un vaisseau vit à bord pendant qu'il est dans le bassin, toutes vidanges, déchets de table ou de cuisine, balayures, cendres, etc., doivent être enlevés et déposés aux endroits désignés par le capitaine du bassin, car il n'est pas permis de rien déposer dans le bassin.

18. La lumière électrique sera fournie sur demande au capitaine du bassin par le propriétaire, agent ou capitaine d'un vaisseau occupant le bassin, et il sera exigé paiement en conséquence.

19. Paiement sera exigé pour tous étançons coupés et détruits et pour tous tins de bois, perches d'échafaudage et madriers brisés ou rendus inutiles.

20. Les navires de guerre de Sa Majesté auront en tout temps, la priorité d'entrée, et dans le cas où il serait nécessaire de faire entrer un tel navire, le capitaine du bassin aura le pouvoir de canceller toutes inscriptions et tous arrangements antérieurs, et de les traiter comme de nouvelles inscriptions ne devant prendre effet qu'après que ce navire de guerre serait sorti du bassin.

21. Aucun vaisseau, sauf les navires de guerre de Sa Majesté, qui aura de la poudre à canon ou autre matière explosive à bord ne sera admis dans le bassin.

22. Avant la sortie de chaque vaisseau, le bassin sera convenablement nettoyé par et aux frais de celui qui se sera servi du bassin, et toutes parties des vaisseaux ou de machines avariés qui auront été enlevées

et mises de côté devront être enlevées du bassin, et tout outillage, outils et machines qui auront été apportés sur les lieux et employés aux réparations, devront être enlevés une fois les réparations faites.

23. Il est bien entendu que la couronne ne se tiendra pas responsable dans aucunes circonstances, des accidents d'une nature quelconque qui pourrait arriver à un vaisseau dans le bassin, ou lorsqu'il y entre ou en sort.

24. Toute personne commettant une offense contre les règlements susdits sera passible d'une amende de cinquante piastres ($50), pout toute et chaque offense, recouvrable par action civile. 46-4

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

PRESENT:

The QUEEN'S Most Excellent Majesty.
Lord President.
Duke of Rutland.
Lord Chamberlain.

WHEREAS by the Extradition Acts, 1870 and 1873, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions and qualifications as may be deemed expedient; and that if, by any law made after the passing of the Act of 1870 by the Legislature of any British possession, provision is made for carrying into effect within such possession the surrender of fugitive criminals who are in or suspected of being in such British possession, Her Majesty may, by the Order in Council applying the said Acts in the case of any foreign State, or by any subsequent Order, suspend the operation within any such British possession of the said Acts, or of any part thereof, so far as it relates to such foreign State, and so long as such law continues in force there, and no longer :

"ARTICLE III.

"Either Government may, in its absolute discretion, refuse in any case to deliver up its own subjects to the other Government.

"ARTICLE IV.

"The extradition shall not take place if the person claimed on the part of Her Majesty's Government, or the person claimed on the part of the Government of the Orange Free State, has already been tried and discharged, or punished, or is still under trial in the territory of the Orange Free State or in the United Kingdom, respectively, for the crime for which his extradition is demanded.

"If the person claimed on the part of Her Majesty's Government, or on the part of the Government of the Orange Free State, should be under examination for any other crime in the territory of the Orange Free State or in the United Kingdom, respectively, his extradition shall be deferred until the conclusion of the trial and the full execution of any punishment awarded to him.

"ARTICLE V.

"The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

"ARTICLE VI.

"A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

" ARTICLE VII.

" A person surrendered can in no case be kept in prison or be brought to trial in the State to which the surrender has been made for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning, to the State by which he has been surrendered. This stipulation does not apply to crimes committed after the extradition.

" ARTICLE VIII.

" The requisition for extradition shall be made through Her Majesty's High Commissioner for South Africa on behalf of the United Kingdom and Her Majesty's Colonies or foreign possessions, not excluded from this Treaty by Article XVIII, and through the Consul-General of the Orange Free State at London on behalf of the Government of the said State.

" The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

" If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

" A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

" ARTICLE IX.

" If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

" ARTICLE X.

" A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed, or the person convicted, in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction ; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. The criminal shall, in accordance with this Article, be discharged, as well in the Orange Free State as in the United Kingdom, if, within the term of forty-five days a requisition for extradition shall not have been made by the Diplomatic Agent of his country, in accordance with the stipulations of this Treaty.

" The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

" ARTICLE XI.

" The extradition shall take place only if the evidence be found sufficient according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to ; and no criminal shall be surrendered until after the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

" ARTICLE XII.

" In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to for said extradition shall admit as valid evidence the deposition or statements of witnesses taken in the other State, under oath or under solemn affirmation to tell the truth, according as its legislation may provide, or the copies of these dispositions or statements, and likewise the warrants issued and sentences pronounced in the State which demands the extradition, the certificates of the fact of the condemnation, or the judicial documents which prove it, provided the same are authenticated as follows :—

" 1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

" 2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

" 3. A certificate of, or judicial document stating, the fact of a conviction, must purport to be certified by a Judge, Magistrate, or officer of the other State.

" 4. In every case, such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State ; but any other mode of authentication for the time being permitted by law in the State where the examination is taken may be substituted for the foregoing.

" ARTICLE XIII.

" If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

" ARTICLE XIV.

" If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

" ARTICLE XV.

" All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place ; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

" ARTICLE XVI.

" All expenses connected with extradition shall be borne by the demanding State.

" ARTICLE XVII.

" The present Treaty shall apply to crimes and offences committed prior to the signature of the Treaty.

" ARTICLE XVIII.

" The stipulations of the present Treaty shall not be applicable to the South African Colonies and possessions of Her Britannic Majesty.

" ARTICLE XIX.

" With the exceptions mentioned in the preceding Article the stipulations of the present Treaty shall be applicable to all the Colonies and foreign possessions of Her Britannic Majesty, so far as the laws for the time being in force in such Colonies and foreign possession respectively will allow.

" The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or chief authority of such Colony or possession by the Chief Consular Officer of the Orange Free State in such Colony or possession.

" Such requisition may be disposed of, subject always as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or Chief Authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

"Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Orange Free State criminals who may take refuge within such Colonies and foreign possessions, on the basis, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, of the provisions of the present Treaty.

"Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

"ARTICLE XX.

"The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties by a notice not exceeding one year and not less than six months.

"The Treaty shall be ratified, and the ratifications shall be exchanged at Bloemfontein as soon as possible.

"In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

"Done in duplicate, at Cape Town, this twentieth day of June, one thousand eight hundred and ninety.

"[L.S.] (Signed) HENRY B. LOCH,
"High Commissioner.

"Done in duplicate, at Bloemfontein, this twenty-fifth day of June, one thousand eight hundred and ninety.

"[L.S.] (Signed) F. W. REITZ,
"State President."

And whereas the ratifications of the said Treaty were exchanged at Bloemfontein on the sixteenth day of December, one thousand eight hundred and ninety.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the sixth day of April, one thousand eight hundred and ninety-one, the said Acts shall apply in the case of the Orange Free State pursuant to the arrangement made by the said Treaty with the President of the Orange Free State.

Provided always, and it is hereby further ordered, that the operation of the said Extradition Acts, 1870 and 1873 shall be suspended within the Dominion of Canada so far as relates to the Orange Free State and to the said Treaty, and so long as the provisions of the Canadian Act aforesaid of 1886 continue in force, and no longer; and provided also that the operation of the said Extradition Acts 1870 and 1873 shall not extend to the South African Colonies and possessions of Her Majesty so far as relates to the Orange Free State and to the said Treaty.

EXTRADITION ENTRE LA GRANDE-BRETAGNE ET LA RÉPUBLIQUE D'ORANGE.

AU CHATEAU DE WINDSOR,
20 mars 1891.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.
Le lord Président.
Le duc de Rutland.
Le lord Chambellan.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables ; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par un arrêté en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, mais pas plus longtemps ;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada ;

Et considérant que par un arrêté de Sa Majesté en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps ;

Et considérant qu'un traité a été conclu le vingtième et le vingt-cinquième jours de juin mil huit cent quatre-vingt-dix, entre Sa Majesté et le Président de la République d'Orange, pour l'extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, et Son Honneur le Président de la République d'Orange, au nom du gouvernement de cette république, ayant jugé convenable, en vue d'une meilleure administration de la justice et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice, fussent, dans certaines circonstances, réciproquement extradés :

Son Excellence sir Henry Brougham Loch, chevalier grand-croix de l'Ordre très distingué de Saint-Michel et Saint-George, chevalier commandeur du très-honorable Ordre du Bain, gouverneur et commandant en chef de la colonie du Cap de Bonne Espérance, haut commissaire de Sa Majesté pour l'Afrique du Sud, etc., agissant pour et au nom de Sa Majesté susdite ;

Et Son Honneur Francis William Reitz, Président de la République d'Orange, agissant pour et au nom du gouvernement de la République d'Orange.

Ont adopté et conclu les articles ci-dessous :—

23. Traite des esclaves telle qu'elle constitue une offense criminelle contre les lois des deux pays.

L'extradition aura également lieu pour complicité à un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement de Sa Majesté ou par le gouvernement de la République d'Orange, a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement, soit dans le territoire de la République d'Orange, soit dans le Royaume-Uni, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par le gouvernement de la République d'Orange est en état de prévention, pour tout autre crime commis dans le territoire de la République d'Orange ou dans le Royaume-Uni respectivement, son extradition sera différée jusqu'à la fin du procès, et jusqu'après la pleine exécution de la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si, depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considérée comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par l'organe du Haut Commissaire de Sa Majesté pour l'Afrique du Sud, au nom du Royaume-Uni et des colonies ou possessions étrangères de Sa Majesté non exclues du présent traité par l'article XVIII, et par l'organe du consul général de la République d'Orange à Londres au nom du gouvernement de la dite République.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne pour [illegible]

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions de deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant dans la République d'Orange que dans le Royaume-Uni, si, dans le délai de quarante-cinq jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition du fugitif n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités de l'Etat auquel l'extradition est demandée, quand elles procéderont aux examens établis par les stipulations ci-dessus, devront admettre comme preuves entièrement valables les dépositions ou les informations de témoins, faits sous serment, ou affirmation solennelle de dire la vérité, selon que l'exige la loi, reçues dans l'autre Etat, ou les copies de ces dépositions ou informations, ainsi que les mandats émis et les sentences rendues dans l'Etat qui demande l'extradition, et les certificats de condamnation, ou les pièces judiciaires à l'appui de cette condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit censé être signé par un juge, magistrat ou officier de l'autre Etat.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat ou officier de l'autre Etat.

4. Ces mandats, dépositions, affirmations, copies, certificats, ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de tout autre ministre de l'autre Etat; cependant les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois en vigueur dans l'Etat où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes en exécution du présent traité est aussi réclamé par une ou plusieurs autres puissances du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si des preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois à partir du jour de l'arrestation du fugitif ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Le présent traité s'appliquera aux crimes et délits commis avant la signature du traité.

ARTICLE XVIII.

Les stipulations du présent traité ne seront pas applicables aux colonies et possessions de Sa Majesté britannique dans l'Afrique du Sud.

ARTICLE XIX.

Sauf les exceptions mentionnées dans l'article précédent, les stipulations du présent traité seront applicables à toutes les colonies et possessions étrangères de Sa Majesté, pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par l'autorité consulaire principale de la République d'Orange dans cette colonie ou possession.

Le gouverneur ou l'autorité supérieure mentionnée ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté britannique de faire, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies britanniques ou possessions étrangères pour l'extradition de criminels de la République d'Orange, qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté britannique seront traités suivant les dispositions des articles précédents du présent traité.

ARTICLE XX.

La présente convention sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux hautes parties contractantes. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre pas plus d'un an ni moins de six mois à l'avance avis de son intention.

Le traité sera ratifié, et les ratifications seront échangées à Bloemfontein, aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé la présente convention, et y ont apposé le cachet de leurs armes.

Fait en double, à Cape Town, le 20e jour de juin, dans l'année mil huit cent quatre-vingt-dix.

[L.S.] HENRY B. LOCH,
Haut commissaire.

Fait en double, à Bloemfontein, ce vingt-cinquième jour de juin, mil huit cent quatre-vingt-dix.

[L.S.] F. W. REITZ,
Président de l'Etat.

Et attendu que les ratifications du dit traité ont été échangées à Bloemfontein, le seizième jour de décembre mil huit cent quatre-vingt-dix ;

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné que le et après le sixième jour d'avril mil huit cent quatre-vingt-dix, les dits actes s'appliqueront dans le cas de la République d'Orange en conformité de l'arrangement fait par le dit traité avec Président de la République d'Orange.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes d'extradition 1870 et 1873 sera suspendue dans la Puissance du Canada, en tant qu'il s'agit de la République d'Orange et du dit traité, tant que les dispositions de l'acte canadien de 1886 resteront en vigueur, et pas plus longtemps ; et pourvu aussi que l'opération des dits actes d'extradition de 1870 et 1873 ne s'étendra pas aux colonies et possessions de Sa Majesté dans l'Afrique du Sud en tant qu'il s'agit de la République d'Orange et du dit traité.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

LA Compagnie de chemin de fer Grand Oriental s'adressera au parlement du Canada, à sa prochaine session, afin d'obtenir un acte modifiant ses actes constitutifs, en prorogeant le délai fixé pour compléter la ligne, autorisant l'achat de lignes de raccordement, et l'émission d'obligations spéciales.

"Agreement between the Government of Her Britannic Majesty and the Government of the United States for a *modus vivendi* in relation to the Fur Seal Fisheries in Behring Sea.

"For the purpose of avoiding irritating differences and with a view to promote the friendly settlement of the questions pending between the two Governments touching their respective rights in Behring Sea, and for the preservation of the Seal species, the following agreement is made without prejudice to the rights or claims of either party:—

"(1.) Her Majesty's Government will prohibit, until May next, seal killing in that part of Behring Sea lying eastward of the line of demarcation described in Article No. 1 of the Treaty of 1867, between the United States and Russia, and will promptly use its best efforts to ensure the observance of this prohibition by British subjects and vessels.

"(2.) The United States Government will prohibit seal killing for the same period in the same part of Behring Sea and on the shores and islands thereof, the property of the United States (in excess of 7,500 to be taken on the islands for the subsistence and care of the natives), and will promptly use its best efforts to ensure the observance of this prohibition by United States citizens and vessels.

"(3.) Every vessel or person offending against this prohibition in the said waters of Behring Sea, outside of the ordinary territorial limits of the United States, may be seized and detained by the naval or other duly commissioned officers of either of the High Contracting Parties, but they shall be handed over as soon as practicable to the authorities of the nation to which they respectively belong, who shall alone have jurisdiction to try the offence and impose the penalties for the same. The witnesses and proofs necessary to establish the offence shall also be sent with them.

"(4.) In order to facilitate such proper inquiries as Her Majesty's Government may desire to make, with a view to the presentation of the case of that Government before arbitrators, and in expectation that an agreement for arbitration may be arrived at, it is agreed that suitable persons designated by Great Britain will be permitted at any time, upon application, to visit or to remain upon the seal islands during the present sealing season for that purpose.

PRESENT:

The QUEEN'S Most Excellent Majesty.
Lord President.
Duke of Rutland.
Lord Chamberlain.

WHEREAS by the Extradition Acts, 1870 and 1873, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions and qualifications as may be deemed expedient; and that if, by any law made after the passing of the Act of 1870 by the Legislature of any British possession, provision is made for carrying into effect within such possession the surrender of fugitive criminals who are in or suspected of being in such British possession, Her Majesty may, by the Order in Council applying the said Acts in the case of any foreign State, or by any subsequent Order, suspend the operation within any such British possession of the said Acts, or of any part thereof, so far as it relates to such foreign State, and so long as such law continues in force there, and no longer:

"Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the laws of both the Contracting Parties for the time being in force, the grant can be made.

"ARTICLE III.

"Either Government may, in its absolute discretion, refuse in any case to deliver up its own subjects to the other Government.

"ARTICLE IV.

"The extradition shall not take place if the person claimed on the part of Her Majesty's Government, or the person claimed on the part of the Government of the Orange Free State, has already been tried and discharged, or punished, or is still under trial in the territory of the Orange Free State or in the United Kingdom, respectively, for the crime for which his extradition is demanded.

"If the person claimed on the part of Her Majesty's Government, or on the part of the Government of the Orange Free State, should be under examination for any other crime in the territory of the Orange Free State or in the United Kingdom, respectively, his extradition shall be deferred until the conclusion of the trial and the full execution of any punishment awarded to him.

"ARTICLE V.

"The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applied to.

"ARTICLE VI.

"A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

"ARTICLE VII.

"A person surrendered can in no case be kept in prison or be brought to trial in the State to which the surrender has been made for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning, to the State by which he has been surrendered. This stipulation does not apply to crimes committed after the extradition.

"ARTICLE VIII.

"The requisition for extradition shall be made through Her Majesty's High Commissioner for South Africa on behalf of the United Kingdom and Her Majesty's Colonies or foreign possessions, not excluded from this Treaty by Article XVIII, and through the Consul-General of the Orange Free State at London on behalf of the Government of the said State.

"The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

"If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

"A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

"ARTICLE IX.

"If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

"ARTICLE X.

"A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed, or the person convicted, in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. The criminal shall, in accordance with this Article, be discharged, as well in the Orange Free State as in the United Kingdom, if, within the term of forty-five days a requisition for extradition shall not have been made by the Diplomatic Agent of his country, in accordance with the stipulations of this Treaty.

"The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

"ARTICLE XI.

"The extradition shall take place only if the evidence be found sufficient according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to; and no criminal shall be surrendered until after the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

"ARTICLE XII.

"In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to for said extradition shall admit as valid evidence the deposition or statements of witnesses taken in the other State, under oath or under solemn affirmation to tell the truth, according as its legislation may provide, or the copies of these dispositions or statements, and likewise the warrants issued and sentences pronounced in the State which demands the extradition, the certificates of the fact of the condemnation, or the judicial documents which prove it, provided the same are authenticated as follows:—

"1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

"2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

"3. A certificate of, or judicial document stating, the fact of a conviction, must purport to be certified by a Judge, Magistrate, or officer of the other State.

"4. In every case, such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State; but any other mode of authentication for the time being permitted by law in the State where the examination is taken may be substituted for the foregoing.

"ARTICLE XIII.

"If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

"ARTICLE XIV.

"If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

"ARTICLE XV.

"All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

"ARTICLE XVI.

"All expenses connected with extradition shall be borne by the demanding State.

"ARTICLE XVII.

"The present Treaty shall apply to crimes and offences committed prior to the signature of the Treaty.

"ARTICLE XVIII.

"The stipulations of the present Treaty shall not be applicable to the South African Colonies and possessions of Her Britannic Majesty.

"ARTICLE XIX.

"With the exceptions mentioned in the preceding Article the stipulations of the present Treaty shall be applicable to all the Colonies and foreign possessions of Her Britannic Majesty, so far as the laws for the time being in force in such Colonies and foreign possession respectively will allow.

"The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or chief authority of such Colony or possession by the Chief Consular Officer of the Orange Free State in such Colony or possession.

"Such requisition may be disposed of, subject always as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or Chief Authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

"Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Orange Free State criminals who may take refuge within such Colonies and foreign possessions, on the basis, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, of the provisions of the present Treaty.

"Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

"ARTICLE XX.

"The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties by a notice not exceeding one year and not less than six months.

"The Treaty shall be ratified, and the ratifications shall be exchanged at Bloemfontein as soon as possible.

"In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

"Done in duplicate, at Cape Town, this twentieth day of June, one thousand eight hundred and ninety.

"[L.S.] (Signed) HENRY B. LOCH,
"High Commissioner.

"Done in duplicate, at Bloemfontein, this twenty-fifth day of June, one thousand eight hundred and ninety.

"[L.S.] (Signed) F. W. REITZ,
"State President."

And whereas the ratifications of the said Treaty were exchanged at Bloemfontein on the sixteenth day of December, one thousand eight hundred and ninety.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the sixth day of April, one thousand eight hundred and ninety-one, the said Acts shall apply in the case of the Orange Free State pursuant to the arrangement made by the said Treaty with the President of the Orange Free State.

Provided always, and it is hereby further ordered, that the operation of the said Extradition Acts, 1870 and 1873 shall be suspended within the Dominion of Canada so far as relates to the Orange Free State and to the said Treaty, and so long as the provisions of the Canadian Act aforesaid of 1886 continue in force, and no longer; and provided also that the operation of the said Extradition Acts 1870 and 1873 shall not extend to the South African Colonies and possessions of Her Majesty so far as relates to the Orange Free State and to the said Treaty.

GZOWSKI CHALLENGE CUP FOR ENGINEER CORPS.

The following are the conditions for the competition for the year 1891–2.

GZOWSKI CHALLENGE CUP.

Conditions for the Competition of 1891.

GENERAL IDEA.

The Company of Engineers is sent to prepare a mountain defile for defence in view of a possible retreat of the field force, to which it is attached, through the defile. The company may be attacked by hostile partisan corps, unaccompanied by artillery, and consequently has to provide for its own safety by constructing a defensible work suitable for its full strength and requirements.

WORK FOR COMPETITION.

The work for this year's competition will be the construction of such a defensible work as can be thrown up in 6 hours.

INSTRUCTIONS.

The commanding officer of each Engineer Company will select for the defensible work the most convenient spot he can obtain permission to work upon.

He will furnish a sketch plan (to scale) of the proposed work and its details.

He will also furnish a report on the following points:—

(a.) The advantages and disadvantages of the site chosen as regards its tactical relations to the surrounding country and as regards a daily supply of water for the men and horses.

(b.) The design proposed for the work as a whole and for its details.

(c.) The resources available in tools and material for the construction of the proposed work.

(d.) The general distribution of the working parties, tools and stores under stated N. C. Officers.

(e.) The proposed arrangements for water supply, day and night latrines, abattoirs; for transport animal lines; for the safe storage of ammunition, stores, food, forage, and fuel; for the housing of the officers and men; and for guards and sentry duties.

The last item *(e)* is only to be reported on and is not to be included in the 6 hours work.

Item *(a)* of the report is required to ensure that the commanding officer, if he be compelled to make use of an unfavorable site for the defensible work, has a clear view of its disadvantages.

In preparing the above sketch, plan and report the commanding officer can make what use he pleases of his subaltern officers and senior N. C. O., but he is requested to make them thorougly acquainted with what he proposes to do and his reasons for so doing, in order that they may receive all the instruction possible from the scheme as a whole.

Any materials required in the construction of the work may be collected and prepared before the competition takes place.

Special attention is directed to Rules 2 and 4 of the Competition, published on page 160 of the Militia Report for 1885.

By Command,

WALKER POWELL, Colonel,
Adjutant General of Militia,
Canada.

ATTENDU qu'une convention pour un *modus vivendi* entre Notre gouvernement et le gouvernement des Etats-Unis relativement aux pêcheries de phoques à fourrure dans la mer de Behring, a été conclue le quinzième jour de juin dans l'année de Notre-Seigneur mil huit cent quatre-vingt-onze, aux termes ci-dessous, savoir :—

"Convention entre le gouvernement de Sa Majesté Britannique et le gouvernement des Etats-Unis établissant un *modus vivendi* relativement aux pêcheries de phoques à fourrure dans la mer de Behring,—

"Dans le but d'éviter des différends irritants, et en vue d'amener un règlement à l'amiable des questions pendantes entre les deux gouvernements touchant leurs droits respectifs dans la mer de Behring, et pour la conservation des phoques comme espèce, la convention suivante est conclue sans préjudice des droits ou prétentions de l'une ou l'autre partie :—

"(1.) Le gouvernement de Sa Majesté défendra, jusqu'au mois de mai prochain, de tuer des phoques dans cette partie de la mer de Behring située à l'est d'une ligne de démarcation décrite dans l'article n° 1 du traité de 1867 entre les Etats-Unis et la Russie, et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les sujets et vaisseaux britanniques ;

"(2). Le gouvernement des Etats-Unis défendra de tuer des phoques pendant la même période dans la même partie de la mer de Behring et sur ses rives et îles, appartenant aux Etats-Unis (en sus des 7,500 qui peuvent être pris sur les îles pour la subsistance et le soin des naturels) et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les citoyens et vaisseaux des Etats-Unis ;

"(3.) Tout vaisseau ou toute personne qui violera cette défense dans les dites eaux de la mer de Behring en dehors des limites territoriales ordinaires des Etats-Unis, pourra être saisi et détenu par les officiers de marine ou autres officiers dûment commissionnés de l'une ou l'autre Haute Partie Contractante, mais ce vaisseau ou cette personne seront délivrés aussitôt que possible aux autorités de la nation à laquelle ils appartiennent respectivement, qui seules auront juridiction pour juger l'infraction et imposer les peines encourues. Les témoins et preuves nécessaires pour établir l'infraction seront aussi envoyées en même temps que le prévenu ;

"(4.) Afin de faciliter les enquêtes que le gouvernement de Sa Majesté pourra désirer instituer dans le but de soumettre la cause du gouvernement à des arbitres, et dans l'espoir qu'un arrangement d'arbitrage pourra être conclu, il est convenu que des personnes convenables désignées par la Grande-Bretagne pourront en tout temps, sur demande à cet effet, visiter ou demeurer sur les îles à phoques, pendant la présente saison de pêche, dans ce but.

"Signée et scellée en double à Washington, ce quinzième jour de juin 1891, aux noms de leurs gouvernements respectifs, par sir Julian Pauncefote, G.C.M.G., C.C.B., Envoyé extraordinaire et ministre plénipotentiaire de S. M. B., et William F. Wharton, secrétaire d'Etat intérimaire des Etats-Unis.

Le duc de Rutland.
Le lord Chambellan.

CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables ; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par un arrêté en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, mais pas plus longtemps ;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada ;

Et considérant que par un arrêté de Sa Majesté en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps ;

Et considérant qu'un traité a été conclu le vingtième et le vingt-cinquième jours de juin mil huit cent quatre-vingt-dix, entre Sa Majesté et le Président de la République d'Orange, pour l'extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, et Son Honneur le Président de la République d'Orange, au nom du gouvernement de cette république, ayant jugé convenable, en vue d'une meilleure administration de la justice et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice, fussent, dans certaines circonstances, réciproquement extradés :

Son Excellence sir Henry Brougham Loch, chevalier grand-croix de l'Ordre très distingué de Saint-Michel et Saint-George, chevalier commandeur du très-honorable Ordre du Bain, gouverneur et commandant en chef de la colonie du Cap de Bonne Espérance, haut commissaire de Sa Majesté pour l'Afrique du Sud, etc., agissant pour et au nom de Sa Majesté susdite ;

Et Son Honneur Francis William Reitz, Président de la République d'Orange, agissant pour et au nom du gouvernement de la République d'Orange.

Ont adopté et conclu les articles ci-dessous :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour l'un quelconque des crimes ou délits énumérés dans l'article II, et commis dans le territoire de l'une des parties, seraient trouvés dans le territoire de l'autre.

ARTICLE II.

L'extradition sera réciproquement accordée pour les crimes ou délits ci-dessous :—

2. Homicide sans préméditation.
3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.
4. Viol.

6. Attentat à la pudeur avec violence.
7. Séquestration ou détention illégale, vol d'enfants.
8. Enlèvement de personne.

22. Crimes commis sur la haute mer :—

    (c.) Révolte ou complot de révolte par deux ou plusieurs personnes à bord d'un navire en haute mer, contre l'autorité du capitaine.
    (d.) Attaque à bord d'un navire en haute mer dans le but d'homicide ou afin de porter de graves lésions corporelles.
23. Traite des esclaves telle qu'elle constitue une offense criminelle contre les lois des deux pays.

L'extradition aura également lieu pour complicité à un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement de Sa Majesté ou par le gouvernement de la République d'Orange, a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement, soit dans le territoire de la République d'Orange, soit dans le Royaume-Uni, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par le gouvernement de la République d'Orange est en état de prévention, pour tout autre crime commis dans le territoire de la République d'Orange ou dans le Royaume-Uni respectivement, son extradition sera différée jusqu'à la fin du procès, et jusqu'après la pleine exécution de la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si, depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considérée comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par l'organe du Haut Commissaire de Sa Majesté pour l'Afrique du Sud, au nom du Royaume-Uni et des colonies ou possessions étrangères de Sa Majesté non exclues du présent traité par l'article XVIII, et par l'organe du consul général de la République d'Orange à Londres au nom du gouvernement de la dite République.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne pour [illegible]

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions de deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant dans la République d'Orange que dans le Royaume-Uni, si, dans le délai de quarante-cinq jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition du fugitif n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités de l'Etat auquel l'extradition est demandée, quand elles procéderont aux examens établis par les stipulations ci-dessus, devront admettre comme preuves entièrement valables les dépositions ou les informations de témoins, faits sous serment, ou affirmation solennelle de dire la vérité, selon que l'exige la loi, reçues dans l'autre Etat, ou les copies de ces dépositions ou informations, ainsi que les mandats émis et les sentences rendues dans l'Etat qui demande l'extradition, et les certificats de condamnation, ou les pièces judiciaires à l'appui de cette condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit censé être signé par un juge, magistrat ou officier de l'autre Etat.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat ou officier de l'autre Etat.

4. Ces mandats, dépositions, affirmations, copies, certificats, ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de tout autre ministre de l'autre Etat; cependant les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois en vigueur dans l'Etat où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes en exécution du présent traité est aussi réclamé par une ou plusieurs autres puissances du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si des preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois à partir du jour de l'arrestation du fugitif ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Le présent traité s'appliquera aux crimes et délits commis avant la signature du traité.

ARTICLE XVIII.

Les stipulations du présent traité ne seront pas applicables aux colonies et possessions de Sa Majesté britannique dans l'Afrique du Sud.

ARTICLE XIX.

Sauf les exceptions mentionnées dans l'article précédent, les stipulations du présent traité seront applicables à toutes les colonies et possessions étrangères de Sa Majesté, pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au gouverneur ou à l'autorité supérieure de cette colonie ou possession par l'autorité consulaire principale de la République d'Orange dans cette colonie ou possession.

Le gouverneur ou l'autorité supérieure mentionnée ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté britannique de faire, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies britanniques ou possessions étrangères pour l'extradition de criminels de la République d'Orange, qui auraient trouvé un refuge dans ces colonies ou possessions étrangères.

Les demandes concernant l'extradition de criminels qui se sont échappés d'une des colonies ou possessions étrangères de Sa Majesté britannique seront traités suivant les dispositions des articles précédents du présent traité.

ARTICLE XX.

La présente convention sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux hautes parties contractantes. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre pas plus d'un an ni moins de six mois à l'avance avis de son intention.

Le traité sera ratifié, et les ratifications seront échangées à Bloemfontein, aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé la présente convention, et y ont apposé le cachet de leurs armes.

Fait en double, à Cape Town, le 20e jour de juin, dans l'année mil huit cent quatre-vingt-dix.

[L.S.] HENRY B. LOCH,
Haut commissaire.

Fait en double, à Bloemfontein, ce vingt-cinquième jour de juin, mil huit cent quatre-vingt-dix.

[L.S.] F. W. REITZ,
Président de l'Etat.

Et attendu que les ratifications du dit traité ont été échangées à Bloemfontein, le seizième jour de décembre mil huit cent quatre-vingt-dix ;

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné que le et après le sixième jour d'avril mil huit cent quatre-vingt-dix, les dits actes s'appliqueront dans le cas de la République d'Orange en conformité de l'arrangement fait par le dit traité avec Président de la République d'Orange.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes d'extradition 1870 et 1873 sera suspendue dans la Puissance du Canada, en tant qu'il s'agit de la République d'Orange et du dit traité, tant que les dispositions de l'acte canadien de 1886 resteront en vigueur, et pas plus longtemps; et pourvu aussi que l'opération des dits actes d'extradition de 1870 et 1873 ne s'étendra pas aux colonies et possessions de Sa Majesté dans l'Afrique du Sud en tant qu'il s'agit de la République d'Orange et du dit traité.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.

"Agreement between the Government of Her Britannic Majesty and the Government of the United States for a *modus vivendi* in relation to the Fur Seal Fisheries in Behring Sea.

"For the purpose of avoiding irritating differences and with a view to promote the friendly settlement of the questions pending between the two Governments touching their respective rights in Behring Sea, and for the preservation of the Seal species, the following agreement is made without prejudice to the rights or claims of either party :—

"(1.) Her Majesty's Government will prohibit, until May next, seal killing in that part of Behring Sea lying eastward of the line of demarcation described in Article No. 1 of the Treaty of 1867, between the United States and Russia, and will promptly use its best efforts to ensure the observance of this prohibition by British subjects and vessels.

"(2.) The United States Government will prohibit seal killing for the same period in the same part of Behring Sea and on the shores and islands thereof, the property of the United States (in excess of 7,500 to be taken on the islands for the subsistence and care of the natives), and will promptly use its best efforts to ensure the observance of this prohibition by United States citizens and vessels.

"(3.) Every vessel or person offending against this prohibition in the said waters of Behring Sea, outside of the ordinary territorial limits of the United States, may be seized and detained by the naval or other duly commissioned officers of either of the High Contracting Parties, but they shall be handed over as soon as practicable to the authorities of the nation to which they respectively belong, who shall alone have jurisdiction to try the offence and impose the penalties for the same. The witnesses and proofs necessary to establish the offence shall also be sent with them.

"(4.) In order to facilitate such proper inquiries as Her Majesty's Government may desire to make, with a view to the presentation of the case of that Government before arbitrators, and in expectation that an agreement for arbitration may be arrived at, it is agreed that suitable persons designated by Great Britain will be permitted at any time, upon application, to visit or to remain upon the seal islands during the present sealing season for that purpose.

EXTRADITION BETWEEN GREAT BRITAIN AND THE ORANGE FREE STATE.

WINDSOR, 20th March, 1891.

AT the Cour at *Windsor*, the 20th day of March, 1891.

PRESENT:

The QUEEN'S Most Excellent Majesty.
Lord President.
Duke of Rutland.
Lord Chamberlain.

WHEREAS by the Extradition Acts, 1870 and 1873, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions and qualifications as may be deemed expedient; and that if, by any law made after the passing of the Act of 1870 by the Legislature of any British possession, provision is made for carrying into effect within such possession the surrender of fugitive criminals who are in or suspected of being in such British possession, Her Majesty may, by the Order in Council applying the said Acts in the case of any foreign State, or by any subsequent Order, suspend the operation within any such British possession of the said Acts, or of any part thereof, so far as it relates to such foreign State, and so long as such law continues in force there, and no longer:

“ The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

“ If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

“ A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

“ ARTICLE IX.

“ If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

“ ARTICLE X.

“ A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed, or the person convicted, in that part of the dominions of the two Contracting Parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction ; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. The criminal shall, in accordance with this Article, be discharged, as well in the Orange Free State as in the United Kingdom, if, within the term of forty-five days a requisition for extradition shall not have been made by the Diplomatic Agent of his country, in accordance with the stipulations of this Treaty.

“ The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

“ ARTICLE XI.

“ The extradition shall take place only if the evidence be found sufficient according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to ; and no criminal shall be surrendered until after the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

“ ARTICLE XII.

“ In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to for said extradition shall admit as valid evidence the deposition or statements of witnesses taken in the other State, under oath or under solemn affirmation to tell the truth, according as its legislation may provide, or the copies of these dispositions or statements, and likewise the warrants issued and sentences pronounced in the State which demands the extradition, the certificates of the fact of the condemnation, or the judicial documents which prove it, provided the same are authenticated as follows:—

"1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

"2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

"3. A certificate of, or judicial document stating, the fact of a conviction, must purport to be certified by a Judge, Magistrate, or officer of the other State.

"4. In every case, such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State; but any other mode of authentication for the time being permitted by law in the State where the examination is taken may be substituted for the foregoing.

"ARTICLE XIII.

"If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

"ARTICLE XIV.

"If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

"ARTICLE XV.

"All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

"ARTICLE XVI.

"All expenses connected with extradition shall be borne by the demanding State.

"ARTICLE XVII.

"The present Treaty shall apply to crimes and offences committed prior to the signature of the Treaty.

"ARTICLE XVIII.

"The stipulations of the present Treaty shall not be applicable to the South African Colonies and possessions of Her Britannic Majesty.

"ARTICLE XIX.

"With the exceptions mentioned in the preceding Article the stipulations of the present Treaty shall be applicable to all the Colonies and foreign possessions of Her Britannic Majesty, so far as the laws for the time being in force in such Colonies and foreign possession respectively will allow.

"The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign possessions shall be made to the Governor or chief authority of such Colony or possession by the Chief Consular Officer of the Orange Free State in such Colony or possession.

"Such requisition may be disposed of, subject always as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or Chief Authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

"Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Orange Free State criminals who may take refuge within such Colonies and foreign possessions, on the basis, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, of the provisions of the present Treaty.

"Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possession of Her Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

"ARTICLE XX.

"The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties by a notice not exceeding one year and not less than six months.

"The Treaty shall be ratified, and the ratifications shall be exchanged at Bloemfontein as soon as possible.

"In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

To the Harbour Commission of Quebec.

The petition of the Corporation of Pilots for and below the Harbour of Quebec,—humbly sheweth :

1. That by the 36 Victoria, chapter 54, section 18, subsection 8, it is enacted that the Trinity House of Quebec (now replaced by the Harbour Commission of Quebec) shall have power to fix and alter the mode of remunerating the Pilots licensed, and the amount and description of such remuneration (in the said Act called Pilotage dues) for the Port of Quebec and below, if after the expiration of three years after the commencement of the said Act, the share of the net income of the Corporation of Pilots aforesaid annually accruing to each member of the said Corporation, acting and practising as a pilot for and below the Harbour of Quebec, has been less than six hundred dollars on an average of the said three years ; in which case, it shall be the duty of the Trinity House of Quebec to submit to the Governor in Council for approval, a by-law establishing such increased rates of pilotage, or pilotage dues as may be deemed necessary for the purpose of securing to each such pilot an average annual share of not less than six hundred dollars of such net income, and so on for and during each successive period of three years thereafter.

2. That during the last three years, the average share of each pilot performing duty as member of the said Corporation has been less than six hundred dollars, and the Pilot Board would therefore respectively request that the Commissioners would pass a by-law to remain in force for the three years, enabling each pilot to earn the annual sum of $600.

I remain, Gentlemen,
Your obedient servant,

ARC OF VISIBILITY OF YELLOW ISLAND LIGHT.

The light established on the summit of Yellow Island, south-east of Denman Island, at the south-eastern entrance to Bayne's Sound, on the Strait of Georgia, Coast of Vancouver Island, in the Province of British Columbia, has, since it was put in operation on the 1st January last, been visible from all points seaward, instead of being cut off on the bearings mentioned in part I of Notice to Mariners, No. 67 of 1890; and in future the light will continue to be so visible from all points seaward, except where intercepted by the trees and high land of Denman and Hornby Islands.

To clear Maple Bank in Bayne's Sound, the light must not be brought to bear to the northward of E. by N. ½ N., while the light bearing S. W. will clear the dangers off the S.E. side of Hornby Island.

The light has not been changed since its inauguration, and the previous notice is in other respects correct.

Attendu qu'une convention pour un *modus vivendi* entre Notre gouvernement et le gouvernement des Etats-Unis relativement aux pêcheries de phoques à fourrure dans la mer de Behring, a été conclue le quinzième jour de juin dans l'année de Notre-Seigneur mil huit cent quatre-vingt-onze, aux termes ci-dessous, savoir :—

"Convention entre le gouvernement de Sa Majesté Britannique et le gouvernement des Etats-Unis établissant un *modus vivendi* relativement aux pêcheries de phoques à fourrure dans la mer de Behring,—

"Dans le but d'éviter des différends irritants, et en vue d'amener un règlement à l'amiable des questions pendantes entre les deux gouvernements touchant leurs droits respectifs dans la mer de Behring, et pour la conservation des phoques comme espèce, la convention suivante est conclue sans préjudice des droits ou prétentions de l'une ou l'autre partie :—

"(1.) Le gouvernement de Sa Majesté défendra, jusqu'au mois de mai prochain, de tuer des phoques dans cette partie de la mer de Behring située à l'est d'une ligne de démarcation décrite dans l'article n° 1 du traité de 1867 entre les Etats-Unis et la Russie, et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les sujets et vaisseaux britanniques ;

"(2). Le gouvernement des Etats-Unis défendra de tuer des phoques pendant la même période dans la même partie de la mer de Behring et sur ses rives et îles, appartenant aux Etats-Unis (en sus des 7,500 qui peuvent être pris sur les îles pour la subsistance et le soin des naturels) et fera promptement les plus grands efforts pour assurer l'observance de cette défense par les citoyens et vaisseaux des Etats-Unis ;

"(3.) Tout vaisseau ou toute personne qui violera cette défense dans les dites eaux de la mer de Behring en dehors des limites territoriales ordinaires des Etats-Unis, pourra être saisi et détenu par les officiers de marine ou autres officiers dûment commissionnés de l'une ou l'autre Haute Partie Contractante, mais ce vaisseau ou cette personne seront délivrés aussitôt que possible aux autorités de la nation à laquelle ils appartiennent respectivement, qui seules auront juridiction pour juger l'infraction et imposer les peines encourues. Les témoins et preuves nécessaires pour établir l'infraction seront aussi envoyées en même temps que le prévenu ;

"(4.) Afin de faciliter les enquêtes que le gouvernement de Sa Majesté pourra désirer instituer dans le but de soumettre la cause du gouvernement à des arbitres, et dans l'espoir qu'un arrangement d'arbitrage pourra être conclu, il est convenu que des personnes convenables désignées par la Grande-Bretagne pourront en tout temps, sur demande à cet effet, visiter ou demeurer sur les îles à phoques, pendant la présente saison de pêche, dans ce but.

"Signée et scellée en double à Washington, ce quinzième jour de juin 1891, aux noms de leurs gouvernements respectifs, par sir Julian Pauncefote, G.C.M.G., C.C.B., Envoyé extraordinaire et ministre plénipotentiaire de S. M. B., et William F. Wharton, secrétaire d'Etat intérimaire des Etats-Unis.

"(Signé) JULIAN PAUNCEFOTE. [L.S.]
"(Signé) WILLIAM F. WHARTON." [L.S.]

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

En foi de quoi, Nous avons fait émettre nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. EXTRADITION ENTRE LA GRANDE-BRETAGNE ET LA RÉPUBLIQUE D'ORANGE.

Au Chateau de Windsor,
20 mars 1891.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.
Le lord Président.
Le duc de Rutland.
Le lord Chambellan.

Considérant que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables ; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par un arrêté en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, mais pas plus longtemps ;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada ;

Et considérant que par un arrêté de Sa Majesté en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps ;

Et considérant qu'un traité a été conclu le vingtième et le vingt-cinquième jours de juin mil huit cent quatre-vingt-dix, entre Sa Majesté et le Président de la République d'Orange, pour l'extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, et Son Honneur le Président de la République d'Orange, au nom du gouvernement de cette république, ayant jugé convenable, en vue d'une meilleure administration de la justice et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice, fussent, dans certaines circonstances, réciproquement extradés :

Son Excellence sir Henry Brougham Loch, chevalier grand-croix de l'Ordre très distingué de Saint-Michel et Saint-George, chevalier commandeur du très-honorable Ordre du Bain, gouverneur et commandant en chef de la colonie du Cap de Bonne Espérance, haut commissaire de Sa Majesté pour l'Afrique du Sud, etc., agissant pour et au nom de Sa Majesté susdite ;

Et Son Honneur Francis William Reitz, Président de la République d'Orange, agissant pour et au nom du gouvernement de la République d'Orange.

Ont adopté et conclu les articles ci-dessous :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour l'un quelconque des crimes ou délits énumérés dans l'article II, et commis dans le territoire de l'une des parties, seraient trouvés dans le territoire de l'autre.

8. Enlèvement de personne.

(d.) Attaque à bord d'un navire en haute mer dans le but d'homicide ou afin de porter de graves lésions corporelles.

23. Traite des esclaves telle qu'elle constitue une offense criminelle contre les lois des deux pays.

L'extradition aura également lieu pour complicité à un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement de Sa Majesté ou par le gouvernement de la République d'Orange, a déjà été jugé, acquitté ou puni, ou se trouve encore sous jugement, soit dans le territoire de la République d'Orange, soit dans le Royaume-Uni, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par le gouvernement de la République d'Orange est en état de prévention, pour tout autre crime commis dans le territoire de la République d'Orange ou dans le Royaume-Uni respectivement, son extradition sera différée jusqu'à la fin du procès, et jusqu'après la pleine exécution de la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si, depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois du pays auquel la demande est adressée.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considérée comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par l'organe du Haut Commissaire de Sa Majesté pour l'Afrique du Sud, au nom du Royaume-Uni et des colonies ou possessions étrangères de Sa Majesté non exclues du présent traité par l'article XVIII, et par l'organe du consul général de la République d'Orange à Londres au nom du gouvernement de la dite République.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne pour [illegible]

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procéderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions de deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant dans la République d'Orange que dans le Royaume-Uni, si, dans le délai de quarante-cinq jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes, d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier dans le cas où le crime aurait été commis sur le territoire du dit Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition du fugitif n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités de l'Etat auquel l'extradition est demandée, quand elles procéderont aux examens établis par les stipulations ci-dessus, devront admettre comme preuves entièrement valables les dépositions ou les informations de témoins, faits sous serment, ou affirmation solennelle de dire la vérité, selon que l'exige la loi, reçues dans l'autre Etat, ou les copies de ces dépositions ou informations, ainsi que les mandats émis et les sentences rendues dans l'Etat qui demande l'extradition, et les certificats de condamnation, ou les pièces judiciaires à l'appui de cette condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit censé être signé par un juge, magistrat ou officier de l'autre Etat.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat ou officier de l'autre Etat, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat ou officier de l'autre Etat.

4. Ces mandats, dépositions, affirmations, copies, certificats, ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel du ministre de la Justice, ou de tout autre ministre de l'autre Etat; cependant les pièces sus-énoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les lois en vigueur dans l'Etat où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes en exécution du présent traité est aussi réclamé par une ou plusieurs autres puissances du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si des preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois à partir du jour de l'arrestation du fugitif ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Le présent traité s'appliquera aux crimes et délits commis avant la signature du traité.

ARTICLE XVIII.

Les stipulations du présent traité ne seront pas applicables aux colonies et possessions de Sa Majesté britannique dans l'Afrique du Sud.

ARTICLE XIX.

Sauf les exceptions mentionnées dans l'article précédent, les stipulations du présent traité seront applicables à toutes les colonies et possessions étrangères de Sa Majesté, pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."
